Item 3: Experiences with bilateral and regional approaches to multilateral cooperation in the area of long-term cross-border investment, particularly foreign direct investment

3. The Commission on Investment, Technology and Related Financial Issues decided to convene an Intergovernmental Expert Group Meeting on Experiences with Bilateral and Regional Approaches to Multilateral Cooperation in the Area of Long-term Cross-border Investment, Particularly Foreign Direct Investment within the framework of the Commission on Investment, Technology and Related Financial Issues.

4. This Expert Meeting could shed light on the issue of the implications of closer multilateral cooperation in the area of cross-border investment, particularly foreign direct investment (FDI), for the development policies and objectives of developing countries. More specifically, the Meeting will undertake a stocktaking of common elements and experiences with bilateral and regional approaches and other initiatives in this area, and outline the challenges that have emerged in negotiations and approaches. It will also focus on the evolution of these approaches in the national, regional and international context, with a view to highlighting common and different elements in them and addressing how the development dimension has been and could be taken into account.

5. To facilitate the discussions, the UNCTAD secretariat has prepared an issues note on Experience with Bilateral and Regional Approaches to Multilateral Cooperation in the Area of Long-term Cross-border Investment, Particularly Foreign Direct Investment (TD/B/COM.2/EM.11/2). In addition, experts are encouraged to prepare brief papers on the subject under discussion. These papers will be made available at the meeting in the form and language in which they are received.
