### Item 2      Institutional, organizational, administrative and related matters

#### Item 2(a)    Treatment of new States members of UNCTAD for purposes of elections

The membership of UNCTAD stands at 188 and is as reflected in document TD/B/42(1)/INF.1.

In connection with this item, attention is drawn to the fact that, at its eighteenth special session (11-15 December 1995), the Board will be required to make a formal recommendation to the Conference concerning the lists of States annexed to General Assembly resolution 1995(XIX). It is understood that States are allocated to these lists essentially for purposes of elections and other procedural matters.

On 18 November 1994, the Officer-in-Charge of UNCTAD addressed a communication to the Governments of the 23 States which had become members of UNCTAD since the seventh session of the Conference to ascertain their preference as to which list their country should be allocated. On 19 June 1995, he dispatched a reminder to the 14 States which had not yet replied.

Representatives of any of the States in the latter category are invited to use the occasion of the Board session to indicate their Government's wishes. Likewise, any State already included in a given list may apply for relocation to another list, should it so desire. Such information should be communicated to the secretariat urgently, to allow time for informal consultations prior to the Board session in December.

For ease of reference, the lists as presently constituted are annexed to document TD/B/42(1)/INF.1.

OF THE TRADE AND DEVELOPMENT BOARD\***

The Trade and Development Board in executive session

Pursuant to paragraph 67 of the Cartagena Commitment, the Trade and Development Board adopts the following guidelines for its meetings in executive session (hereafter referred to as "executive sessions of the Board").

1. The executive sessions of the Board will facilitate the strengthening of the policy function of the Board in adapting the organization's work to changing worldwide economic circumstances, reviewing work programmes and priorities, promoting greater efficiency and reacting to reports from its subsidiary bodies in order to give impetus to ongoing work.
2. The executive sessions will be convened at the level of Permanent Representatives at regular intervals, and at any time the President of the Board, in consultation with the Secretary-General of UNCTAD and with the member States, deems it necessary, in half-day or one day sessions. The agenda for each executive session of the Board will be agreed upon sufficiently in advance to ensure adequate preparation. Each executive session of the Board should be preceded by an appropriate consultative process.
3. The executive sessions of the Board may provide guidance to the subsidiary bodies of the Board and take action on the outcomes of the meetings of these bodies; take action on procedural and organizational matters; and provide timely preparation of the issues to be considered by the regular sessions of the Board.
