Participation of NGOs in the activities of UNCTAD

The Trade and Development Board, at its forty-third session, noted that the Economic and Social Council had adopted resolution 1996/31 of 25 July 1996 entitled *Consultative relationship between the United Nations and non-governmental organizations*, which up-dates the arrangements on consultative relations with non-governmental organizations set out in Economic and

Social Council resolution 1296(XLIV) of 23 May 1968. In view of this development, the Board noted also that the UNCTAD secretariat would review the arrangements for the participation of non-governmental organizations in the activities of UNCTAD, as contained in Board decision 43(VII) of 20 September 1968, and would report to the Board at an executive session. The secretariat has prepared a note *Non-governmental organizations participating in the activities of UNCTAD*, embodying the results of its review of the arrangements for the participation of non-governmental organizations in the activities of UNCTAD. This note: (i) reviews briefly the rules and procedures of ECOSOC and of UNCTAD on consultative relations with non-governmental organizations; (ii) recommends changes in the UNCTAD rules and procedures on consultative relations with non-governmental organizations; and (iii) recommends a reclassification of special category non-governmental organizations in consultative status with UNCTAD.
