**C. Adoption of the agenda**

**D. Institutional, organizational, administrative and related matters**

(Agenda item 2)

**Item 2(a) - Treatment of new States members of UNCTAD for purposes of elections**

22. The President informed the Board that the membership of UNCTAD was now 188, as reflected in TD/B/42(1)/INF.1. In connection with this item, he drew attention to the provisions of paragraph 6 of General Assembly resolution 1995 (XIX), by which the list of States annexed to that resolution were to be reviewed periodically by the Conference in the light of changes in names of States members. The Conference last carried out such a review at its

sixth and seventh sessions and the list, as currently constituted, was reflected in the annex to the document referred to above. Since UNCTAD VII, 23 States had joined the membership of UNCTAD. The Conference would therefore be carrying out another review of the lists at its ninth session, acting on the basis of appropriate recommendations by the Board. He added that the Officer-in-charge of UNCTAD had communicated with those States which had become members of UNCTAD since the seventh session of the Conference, seeking their preference as to which list they should be assigned to. He recalled that States were assigned to lists essentially for purposes of elections and other procedural matters.

Item 2(d) - Membership of the Working Party on the Medium-term Plan and the Programme Budget for 1996

25. The Board noted that it was not yet possible to complete the nominations for all 19 members of the Working Party and that the nominations would be completed at the first part of the forty-second session of the Board.<sup>2/</sup>
