

Implementing our mandates

**The Accra Accord and the Doha
Mandate**

Division on International Trade in Goods and Services, and Commodities (DITC)

What is the purpose of our work?

To help developing countries use international trade as a tool for their inclusive and sustainable development and equitable integration to the global economy.

“Prosperity for all through trade”

What do we do?

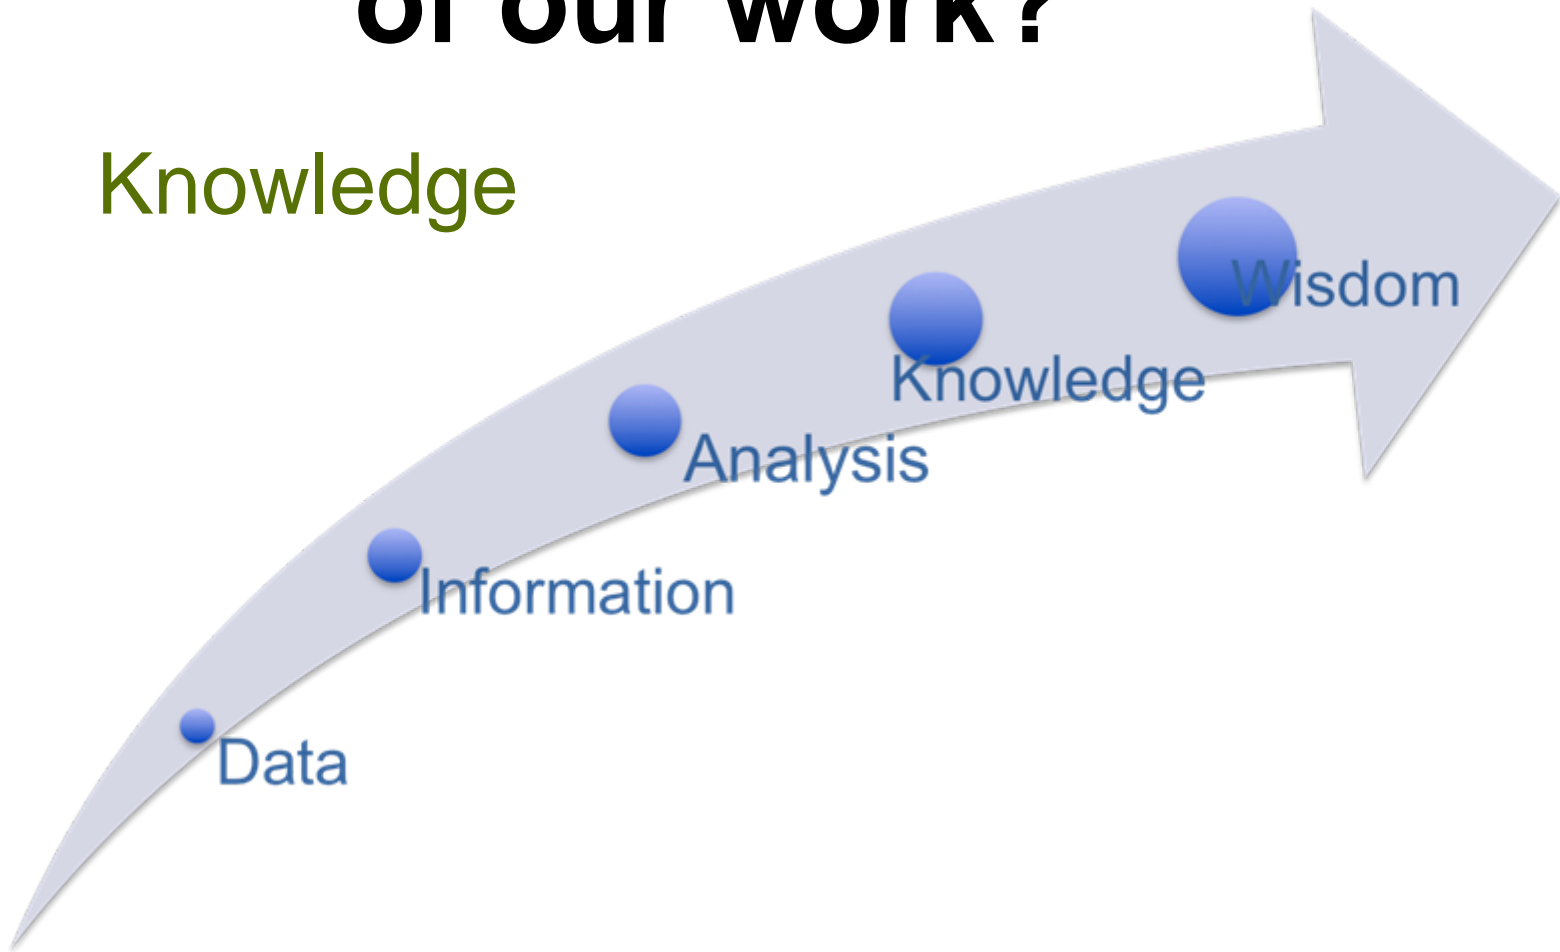

We analyze, build consensus and provide technical cooperation on trade related matters that disrupt or enable inclusive and sustainable development and equitable integration of developing countries to the world economy.

“we think, we discuss and we deliver on trade and trade policy issues”

What is the substance of our work?

Knowledge

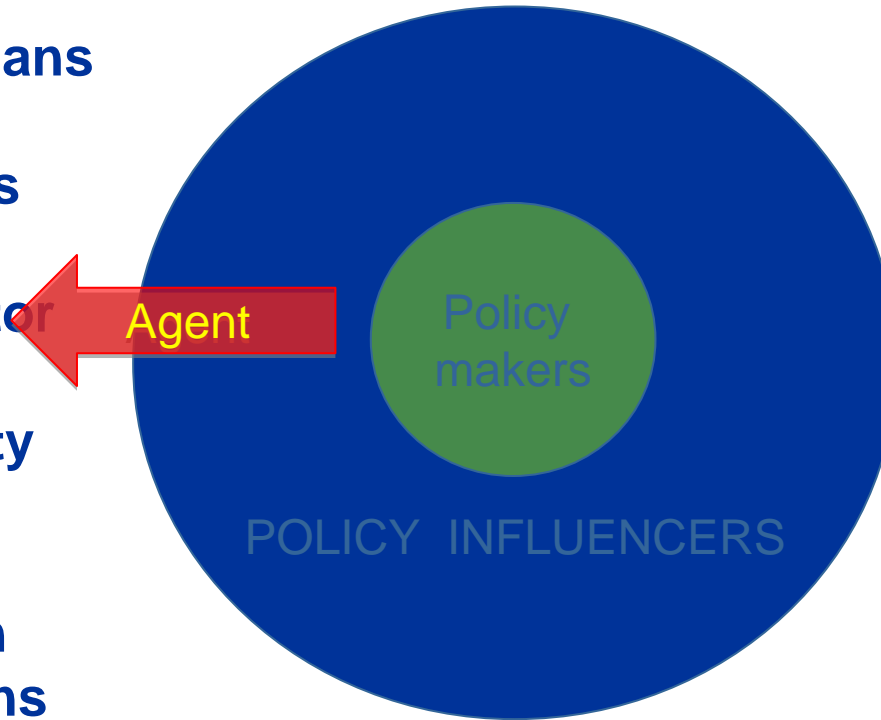

Who do we work for?

POLICY INFLUENCERS

- Parliamentarians
- Academics
- Private sector
- Civil society
- Regional Integration Organizations
- I.G.O

POLICY MAKERS

- Geneva based
- Capital based
- New York based

What is our context?

Growing:

- 1. International trade on goods and services**
- 2. Participation of Developing countries in global trade and GDP**
- 3. South-South trade**
- 4. Relevance of NTM relative to tariffs**
- 5. Relevance of value chains**
- 6. Relevance Intra-firm trade**
- 7. Number of RTAS and prospects for fragmentation of the MTS**
- 8. Re-commoditization of trade in many Developing countries**
- 9. Climate change and deterioration of environment and biodiversity**
- 10. Trade frictions as a result of exchange rate volatility and its impacts on tariffs; domestic mitigation policies, measures and private standards on climate change and national responses to food security**

What is the political context?

- **Political relevance and participation of developing countries in decision and rule-making**
 - **Disparities between Developing countries**
- **Deadlocks in multilateral frameworks and hard rule making (weakening of multilateralism)**
