The Division in 2012: Results and Impact Highlights Selected excerpts from DIAE's Performance Appraisal Framework

Core Values and Measurements of DIAE's Performance Appraisal Framework

| Key areas of work | Relevance | Quality | Efficiency | Effectiveness and Impact |
|---|--|---|---|--|
| "[Building better] understanding of investment issues and investment policies that promote development." | WIR12 was downloaded more than 45,000 times in its first 3 months; it generated more than 700 press articles in over 140 countries. WIF12 attracted over 1,400 participants from 145 countries, including 9 Heads of State, 5 Heads of International Organizations, 41 Ministers, 30 global CEOs. | WIR12 was acknowledged by policy-makers at the highest level, including the President of Tunisia, the Prime Minister of India, Albania's government cabinet meeting, the UK Prime Minister's office, "The WIF is an excellent opportunity for consensus building in the field of investment and development", H.E. Ms. Ann Ruth Herkes, State Secretary Germany. | WIR's new format allows for a leaner paper version while providing better access to on-line data and information (previously published in annexes). 85% of respondents to the WIF12 participants evaluation survey praised the organizational aspects of the event. | A numbrr of countries have requested that the Investment Policy Review of the country be carried out on the basis of the conclusions of WIR12 and IPFSD. WIF12 triggered a number of investment deals – e.g. a commitment by Nestlé to evaluate investment opportunities in vanilla in Comorros. |
| "[Creating] an environment conducive to attracting and benefiting from investment for development." | Unique visitors to the eRegulations systems: 144,000 in 2010; 364,000 in 2011; more than 50,000 monthly visitors in 2012. "The Investment Advisory Series are extremely useful", Invest in Spain (4 May 2012). | • "The iGuide was instrumental in informing potential investors [] on opportunities in Kenya, its investment environment, market access requirements, the regulatory framework and private sector participation in industrial growth and development", Julius Korir, Acting Managing Director, Keninvest. | • The iGuides and eRegulations programmes work synergistically: "The [iGuide is] an excellent catalyst to improve administrative governance for businesses. We will now implement the eRegulations system", Taoufiq Boudchiche, Director at the regional development agency of the Oriental Region of Morocco. | Simplification through eRegulations: Costa Rica – business registration procedure reduced from 32 to 3 steps; Honduras - cost reduced by 50%; Togo - time required reduced from 69 to 9 days. 7 out of the top 10 most improved countries in the World Bank DBI between 2005 and 2012 conducted an IPR. |
| "[Promoting] a better understanding of issues related to International Investment Agreements and their development dimension." | Participation of 31 ministers and 80 IIA negotiators, investors, experts and representatives of civil society at the IIA Conference and Ministerial Roundtable at WIF12. "UNCTAD's investment advisory services have been relevant and have had an impact [] the IIA programme is unique [and] costeffective", TD/B/WP/196, 2007. | | Development of the Investment Policy Hub as a cost-effective single platform for dissemination and expert debate. IIA- and IPFSD-based training is carried out with partners and regionally to pool resources (e.g. SADC training course, Vienna Institute Training course for transition economies,). | "With its focus on developing investment policy options that promote sustainable development and inclusive growth, UNCTAD's IPFSD has been an important tool for our member States' discussions on the new SADC model BIT", H. Erasmus, Investment Advisor at the SADC Secretariat, July 2012. |
| "[Developing] international competitiveness through enterprise development, entrepreneurship and business linkages; promoting best practices in CSR and accounting; and [creating] well-regulated insurance markets." | "There is no doubt about the relevance of EMPRETEC and BLP [Business Linkages Programme] Both programmes are highly relevant for skills and business development needs for MSMEs", UNCTAD's External Evaluation of Empretec and Business Linkages Programmes, 2012. | "The ISAR Accountancy Development Tool (ADT) is an excellent start-up toolkit for opening systemic debate between the stakeholders. The length of the test is just right. Documentation is excellent and target audience appropriate. " Damir Kaufman, Secretary-General Ministry of Justice, Croatia, ISAR 29, October 2012. | Countries can self- assess their national accountancy architecture through an online version of the ADT, launched at ISAR 29. In 2012, UNCTAD's EPF has been presented in four regional courses for South-East Europe and CIS countries, Africa, and West Asia, speeding up dissemination to more countries. | • Enterprises of six EMPRETEC participants in Tanzania showed a median of 100% turnover increase. The BLP in Uganda led to an increase in permanent employment of 125% in participating firms. Source: UNCTAD's External Evaluation of Empretec and Business Linkages Programmes, 2012. |
