BUSINESS REPORTING ON THE SDGS
PRACTICAL GUIDANCE AND RESOURCES
INTEGRATING THE SDGS INTO CORPORATE REPORTING

- Outlines a 3-step process to embed the SDGs in existing business and reporting processes

Step 1: Define priority SDG targets
Step 2: Measure and analyze
Step 3: Report, integrate, and implement change

- Approach is aligned with Ten Principles, the UNGP and GRI Standards

- Developed by the UN Global Compact and GRI, with the support of Shift and PwC and stakeholder input.

AN ANALYSIS OF THE GOALS AND TARGETS

- Lists examples of illustrative business actions
- Lists established disclosures business can use to report
- Points to disclosure gaps
- Contributes towards developing an harmonized set of SDG disclosures
- Developed by the UN Global Compact and GRI with the support of PwC. Integrates input from around 40 organizations, including 7 UN institutions
