Tuesday, 22 May 2012

Fifteenth Session of the Commission on Science and Technology for Development (CSTD)
WSIS follow-up architecture

• Multi-stakeholder implementation on national, regional, international levels
  – 160 recommendations and commitments in chapter C of the Geneva Plan of Action
• International level:
  – UN inter-agency coordination mechanism – UNGIS
  – Intergovernmental follow-up – CSTD, ECOSOC, GA
• WSIS Forum
  – Annual multi-stakeholder platform
• Internet Governance Forum
WSIS targets

• to connect villages with ICTs and establish community access points;
• to connect universities, colleges, secondary schools and primary schools with ICTs;
• to connect scientific and research centres with ICTs;
• to connect public libraries, cultural centres, museums, post offices and archives with ICTs;
• to connect health centres and hospitals with ICTs;
• to connect all local and central government departments and establish websites and email addresses;
• to adapt all primary and secondary school curricula to meet the challenges of the Information Society, taking into account national circumstances;
• to ensure that all of the world's population have access to television and radio services;
• to encourage the development of content and to put in place technical conditions in order to facilitate the presence and use of all world languages on the Internet;
• to ensure that more than half the world’s inhabitants have access to ICTs within their reach.
Analysis

• Will we be reaching WSIS targets?
• What is our post-2015 vision?
• Would WSIS become stronger when merged with other processes? How WSIS should relate to sustainable development agenda?
• Are the current WSIS implementation and facilitation mechanisms working well, for all stakeholders, in all regions?
• Review: To which extend should we look backward, analyse current developments, prepare the future?
UNGIS Action Plan developed with all stakeholders in six phases (endorsed by CEB), foresees:

• UNESCO 2013 WSIS review conference

• ITU 2014 WSIS review conference
  – Hosted by Egypt (tbc)

• UNGA 2015 WSIS review meeting
  – Modalities to be adopted by UNGA
