OCEANS FORUM ON TRADE – RELATED ASPECT OF SDG 14

Advancing SDG 14.6
Outline

- Fish an Extractive Resource - Fish Trade is a highly traded commodity
- SDG 14.6 and WTO mandate
- Fisheries Proposals under Negotiations - Scope
- Special and Differential Treatment
Key Messages

- SDG 14.6 is not the panacea to SDG 14 but an important commensurate to the overall achievement of SDG 14 goal.

- To achieve outcomes, focus should be on Mandate, prohibit subsidies with SDT for developing and LDCs

- Developed countries must expedite technical and financial assistance to assist developing countries including for LDCs in relation to implementation for SDG 14.6 by 2020 as well.
