

Organic Certification System In Lao PDR

Presented by Thavisith BOUNYASOUK,
Laos Certification Body
Standard Division
Department of Agriculture

Background of establishing Laos Certification Body

Standard development

Mission

- Supporting Organic Agriculture movement in Lao PDR through providing information on Organic Standard Requirements
- Acting as third party body for growers and consumers to assure quality of organic products
- Providing Inspection and Certification for local growers and producers According to MAF Standard.
- Supporting Organic Producers and growers to gain international Certification through collaboration with *Certification Alliance (Cert-All)*

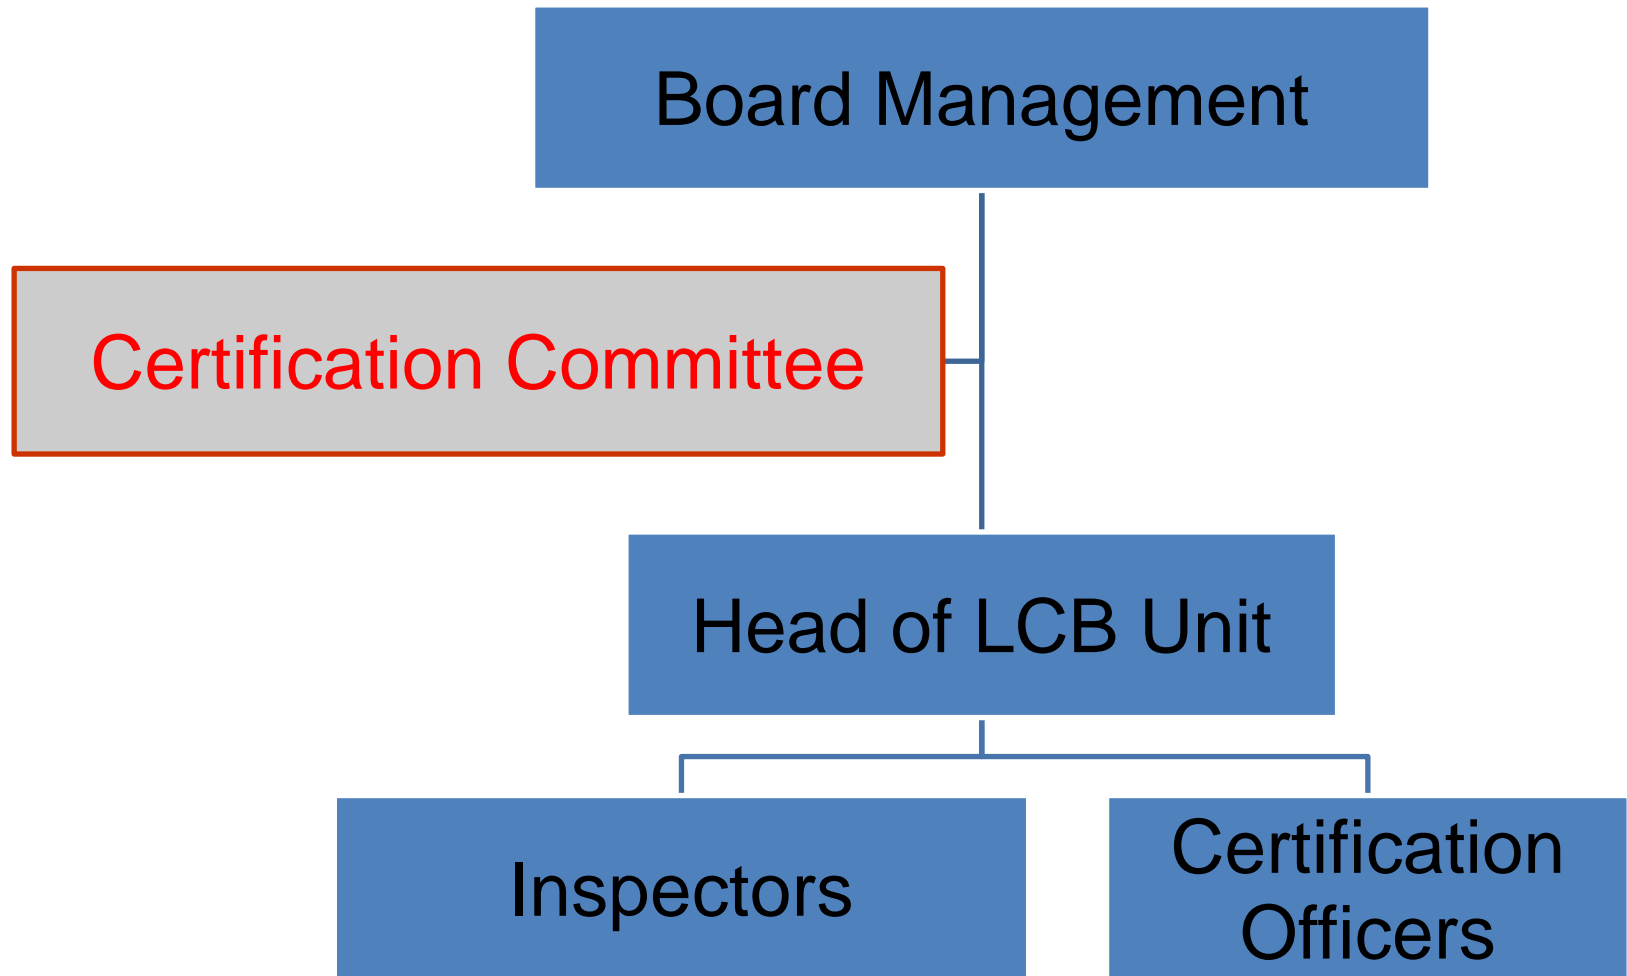

Members of Cert-All

The role of LCB in Cert-All

- Act as Client Manager for Cert-All
- Facilitate operators to get certification through Cert-All service provider network
