

Remote Participation

Thanks to continued assistance from Cisco, we are able to provide remote access to the CSTD 2012-2013 inter-sessional panel.

Remote participants are encouraged to connect early to ensure everything is configured properly, especially if this is their first time using WebEx.

To join the online meeting:

1. Go to the corresponding link (see below for the links corresponding to each day and language).
2. If requested, enter your name and email address.
3. If a password is required, enter the meeting password: **Lima2013** (this is the same password for all three days and both languages)
4. Click "Join".
5. Follow the instructions that appear on your screen.

To join the audio conference only: the call-in toll number (UK) is **+44 20 310 64804**. (Links to other global call-in numbers are provided for each session below.)
