## NOTIFICATION

### **Multi-year Expert Meeting on Trade, Services and Development Fourth session**

**Geneva, 18–20 May 2016**

The fourth session of the Multi-year Expert Meeting on Trade, Services and Development will be held from 18 to 20 May 2016 in Room XXVI of the Palais des Nations, Geneva. It will commence at 10 a.m. on Wednesday, 18 May.

#### **Background and purpose of the meeting**

The Doha Mandate, adopted at UNCTAD XIII, stresses that development of services and access to them, supported by adequate regulatory and institutional frameworks, is important for sound socioeconomic development. The objective of the expert meeting is to identify best-fit practices at the levels of policymaking, regulations, institutions and trade negotiations that link services, development and trade in a balanced manner, including strengthening national services regulation.

The fourth session of the expert meeting will examine practices and experiences in building coordination and coherence between trade negotiators, policymakers and regulators, and making regulatory and trade agendas mutually supportive in services sectors.

Services sectors are essential to the efficient functioning of all economies and strengthened productive capabilities and competitiveness. The quality of policies, regulations and institutional frameworks is the key determinant of services performance. At the same time, increased trade in services negotiations have also raised concerns over the relationship between the liberalization and regulation of services, as certain trade rules could affect the degree of national regulatory autonomy and policy space to pursue development objectives.

Within this context, coherence between regulatory and trade agendas, and effective coordination between regulatory authorities, sectoral ministries and trade ministries, are crucial for trade liberalization to become pro-developmental. The session will examine lessons that can be learned from various country and regional practices and experiences, including UNCTAD Services Policy Reviews, in building mutually supportive regulatory and trade strategies.

#### **Participation and nominations**

Registration should be completed online. To do so, please use the following link: [Multi-year Expert Meeting on Trade, Services and Development](#). Nominations and related communications concerning representation at the meeting should be sent to the UNCTAD secretariat, Intergovernmental Support Service, Palais des Nations, CH-1211 Geneva 10; fax: 41 22 917 0214; e-mail: [meetings@unctad.org](mailto:meetings@unctad.org).

Experts, who will participate in the meeting in their personal capacities, are expected to have proven expertise in regulation, policymaking or trade negotiations on services, particularly infrastructural services. The meeting may also be of interest to experts from research institutions, civil society and the private sector, whose focus is services regulation or on infrastructure services sectors and their linkages with the rest of the economy, including other services.

Member States of UNCTAD are requested to inform the secretariat of the names of their participating experts at an early date and not later than **27 April 2016**. Specialized agencies and international and regional intergovernmental bodies wishing to participate in the meeting, as well as non-governmental organizations in the general category and those in the special category wishing to participate as observers, are requested to inform the UNCTAD secretariat of the names of their representatives by the same date. There is no limit to the number of experts, including from Governments, who can participate in the meeting. Participants who wish to be panellists should contact UNCTAD no later than **30 March 2016**.

Experts are encouraged to prepare and submit to the meeting brief papers (5–12 pages) related to one or more of the issues contained in the provisional agenda, which will be available on the UNCTAD website. These papers will be made available to the meeting in the form and language in which they are received. They should be sent in advance of the meeting to the coordinators in the UNCTAD secretariat whose contact details are provided in this notification.

### **Financial assistance**

Depending on the availability of funds in the Trust Fund for Financing the Participation of Experts at the time of nomination, funds may be allocated to finance the participation of a limited number of officially nominated experts from developing countries and countries with economies in transition. Governments requiring funding are therefore invited to explicitly request this in their letters of nomination. It should be understood that funds currently available in the dedicated trust fund are very limited, and nominations shall be considered based on that availability. The decision as to which experts should receive financing will be based on the direct involvement and expertise of the nominated experts, on the principle of equitable geographical representation and on the needs of beneficiaries, in particular, least developed countries. Changes in the experts nominated will be considered as new nominations.

Nominations with requests for funding should be received no later than **30 March 2016** and should be accompanied by the following information about the nominee:

- (a) Curriculum vitae;
- (b) Mailing address;
- (c) Telephone and fax numbers;
- (d) E-mail address;
- (e) Name of a contact person in the respective permanent mission in Geneva.

Once the list of experts to receive financial assistance has been finalized, all travel arrangements will be made in accordance with United Nations rules and regulations, that is, the use of the least costly fare will be applied.

### **Background documents and contributed papers**

The provisional agenda for the meeting, together with the secretariat's annotations thereto, will be circulated as document TD/B/C.I/MEM.4/10. To facilitate the discussion, the UNCTAD secretariat has prepared an issues note, which will be circulated as document TD/B/C.I/MEM.4/11.
