

Tiago Almeida, Senior Investment Officer, Infrastructure MEA, Luanda/Angola

Tiago Almeida

Email: talmeida@ifc.org

Tiago has joined IFC in January 2021, as a Senior Investment Officer, Infrastructure MEA based in Luanda, and looking at investments in both Angola and Mozambique. The infrastructure sub-sectors includes power, renewables, roads, rail, ports, airports, telecom and municipalities.

Previous to IFC, Tiago was an Investment Manager with the Debt Project Finance team of the CDC Group (UK DFI) in London, focusing on infrastructure investments in Africa and South Asia. His experience also spans several years working in South Africa, as a Senior Transactor in the Infrastructure Finance team at Rand Merchant Bank (“RMB”).

Tiago has a vast experience in originating and leading several project finance transactions across Sub-Saharan Africa.
