

TRADE FACILITATION INNOVATION DAYS 2022

AGENDA

Monday, 27 June

8:00	
10:00	Welcome session (hybrid) Innovation: Finding new ways of solving complex trade issues Welcome to two days of creative ideas. Let's use them to work together in developing new ideas to make trade simpler, faster, and more cost-effective for everyone's benefit.
10:30	
12:30	Warm-up Networking
13:00	Theme 1 Turbocharging Trade Technology The lifeblood of trade... So many opportunities - and yet so many challenges. Let's take a deep dive into technology, find out what is already there and what needs to be done, and how to make it tick.
15:00	Idea Harvesting
15:30	Theme 2 Special Trade Regimes Trade facilitation isn't just about imports and exports. How about transit, transshipment, warehousing, free zones, temporary admissions? Incubators or isolators? Opportunities or obstacles?
17:30	Idea Harvesting
18:00	Theme 3 The Weakest Link? Supply chains are all about sequencing and organising. How do we fine tune and better coordinate inspection, payments, document control...? How can we increase resilience of supply chains?

Tuesday, 28 June

	Theme 4 Trade Facilitation for the Planet Can trade facilitation cut emissions? Preserve biodiversity? Clean our waterways and save our forests?
	Idea Harvesting
	Theme 5 Mitigating Risks Innovative systems and processes for risk management. Towards a global risk-management system?
	Idea Harvesting
	Theme 6 E-Commerce unbound Is Trade Facilitation playing its part to unlock the full potential of E-Commerce?
	Idea Harvesting
	Theme 7 What does success look like? Innovative approaches to measure the impact and benefits of the TFA.
	Idea Harvesting
	Closing session What have we learned over these two days? What progress have we made? Let's take the time to debrief and reflect. Takeaways and trouble spots - what will we share at the 5th anniversary of the TFA?
