

# Digital Transformation in SIDS

Tishka Hope Francis, Team Leader of the SIDS Sub-Programme

UN Office of the High Representative for Least Developed Countries, Landlocked Developing Countries, and Small Island Developing States

# SIDS are vulnerable like no others

Vulnerable  
towards  
multi-dimensional  
shocks

Ineligible for  
ODA and  
Concessional  
finance

Highly indebted

# SIDS Accelerated Modalities of Action (SAMOA Pathway)

Third  
International  
Conference  
on SIDS

Sustainable  
Development

Special Case  
of SIDS

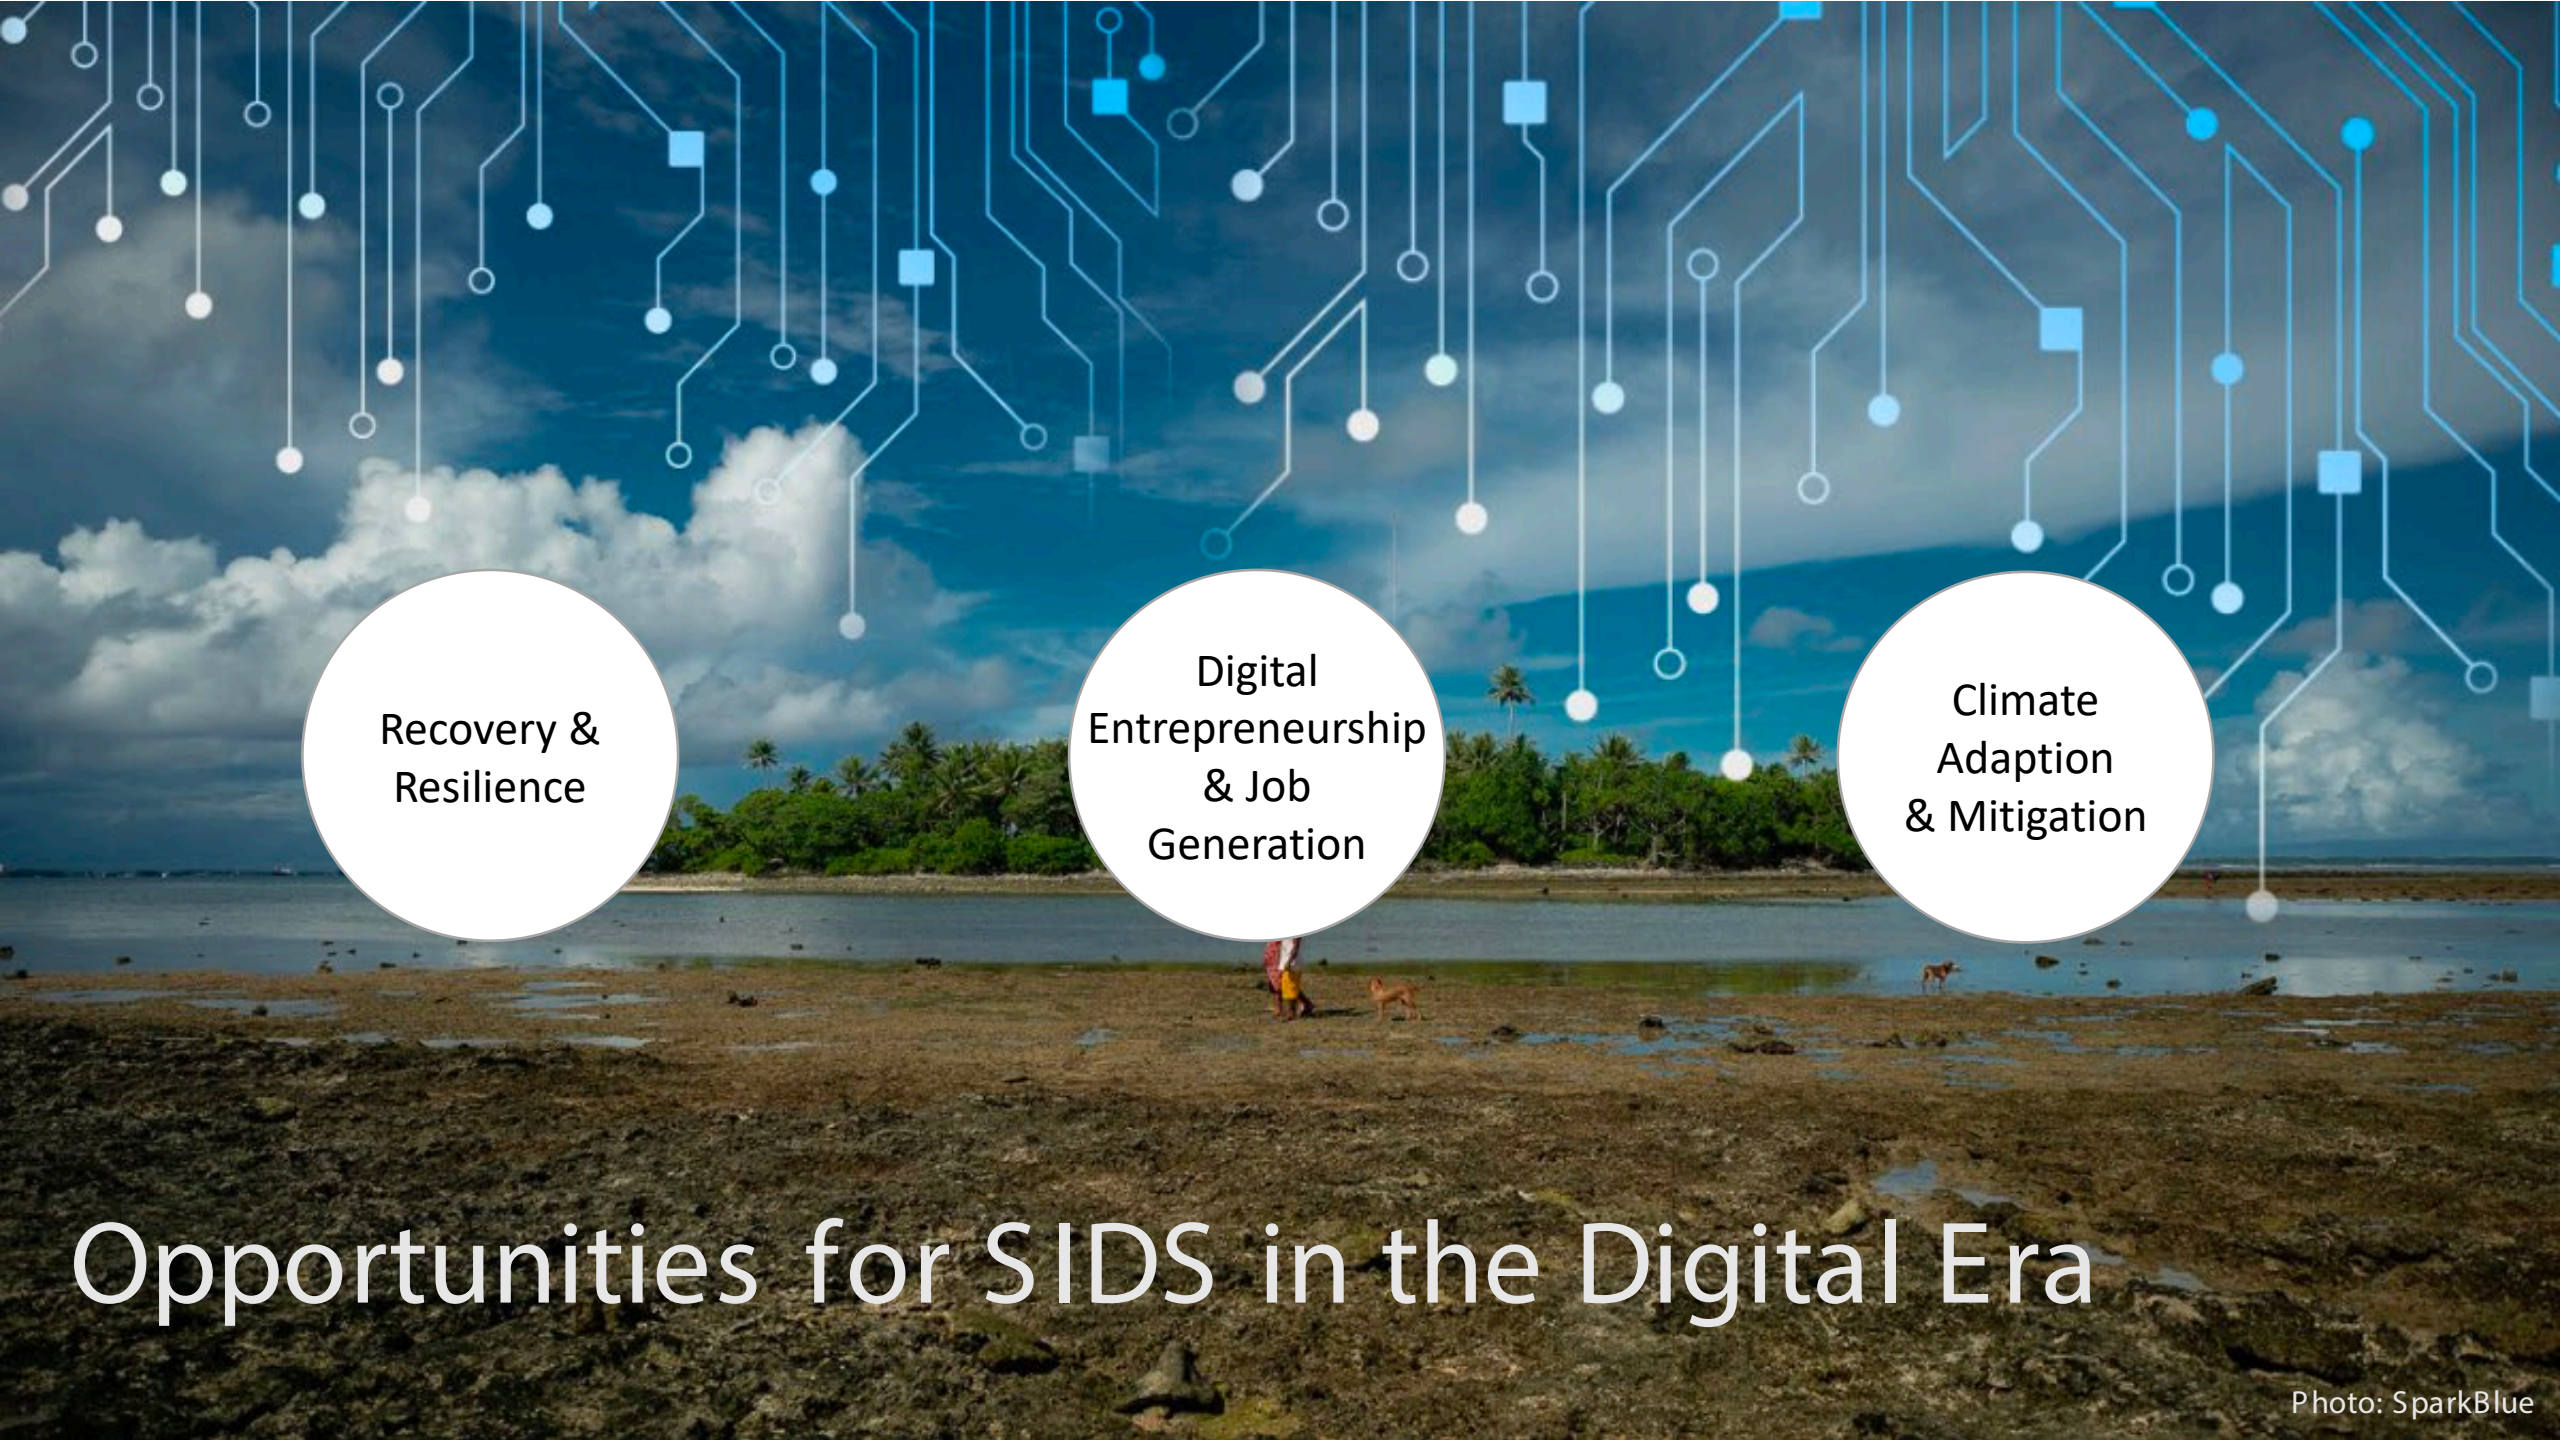

# OHRLLS

Coordination  
of UN system

Advocacy

Resource  
Mobilization

Partnership  
Facilitation

The background of the slide is a photograph of a tropical beach at low tide. A person is walking a dog on the dark, wet sand. In the distance, there are palm trees and a blue sky with white clouds. Overlaid on the top half of the image is a complex digital circuit pattern in white and light blue, consisting of lines, circles, and squares.

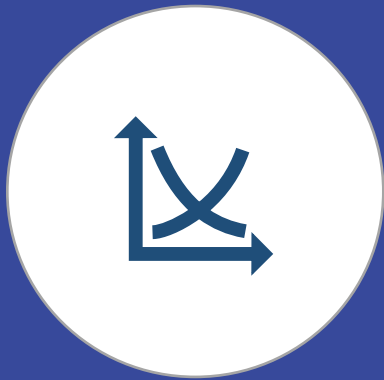

Recovery &  
Resilience

Digital  
Entrepreneurship  
& Job  
Generation

Climate  
Adaption  
& Mitigation
