# Contribution of TOSSD in the data submission for SDG indicator 17.3.1

**TOSSD:** + 100 reporters, between countries (including some SSC providers) and multilateral organisations.

# Keeping the OECD – UNCTAD systems interoperable for an efficient joint data submission to SDG indicator 17.3.1.

**UNCTAD and OECD as co-custodians need to coordinate to ensure there is no overlaps in global reporting for this indicator:** for a given multilateral organisation reporting its outflows (4 and 5 above), inflows (2 and 3) should not be included to avoid double counting.

**Thank you / Merci / Gracias**
