NTFC's
- Coordination
- Collaboration

Governments do NOT trade,
GOVERNMENTS ENABLE & FACILITATE

International Collaborations
Role of the:
1 Government
2 Government collaborating International Partners
3 Government collaborations with Private Sector

Barbados Government systems in place:
- ASYCUDA World from 2011
- Port Community System
- Maritime Single Window
- Electronic Single Window for trade

90% of goods imported

CLOSELY WORK WITH NECESSARY ORGANISATIONS TOWARDS CHANGE

Private Sector Role
All regions work differently, so finding a way to facilitate all parties to work together efficiently

WCO CUSTOMS MATTERS
SOLUTIONS

UN TRADE & DEVELOPMENT

PARTNERSHIPS

Not easy but important
Everyone talks about coordination
Everyone agrees about coordination
But nobody wants to be coordinated

IF SOLUTIONS AREN'T COORDINATED ITS DIFFICULT TO MOVE AHEAD

ASK QUESTIONS LEARN FROM EACH OTHER

GATF
