## EMPRETEC SUMMIT II - 17 MARCH 2014

*Empretec (the Spanish acronym for emprendedores –entrepreneurs– and tecnología –technology–) is a flagship capacity-building programme of the United Nations Conference on Trade and Development (UNCTAD) that aims at fostering skills and competencies of successful entrepreneurs. Since its inception in 1988 it trained more than 350 000 “empretecós” around the world in 36 countries. Meet the Directors of these programmes around the world, policy makers and entrepreneurs for networking and linkages.*
