3rd Meeting of the Steering Committee
27 January 2025

Detailed Agenda

- Agreeing on the agenda.
- Reviewing comments on the last meeting minutes.
 - We invited all statistical country focal points.
 - Please feel free to propose other participants.
- **Statistics element:**
 - Timeframe and next steps for testing the TiSSTAT system by countries.
 - Share the excel.
 - Planning an online training workshop to assist countries during the testing phase:
 - Timing (week 17-20 February)
 - Content
 - The two-half-day virtual workshop will address any issues or questions identified during the testing phase:
Day 1: Distribute the exploration environments and guides and cover any questions and problems
 - **Day 2:** Focus on TiSSTAT modules and their functionality.
 - We are also preparing a checklist of skills required for the training. Ideally, participants should have expertise in data collection and statistics.
 - Identification of NSO statistical points and nominated IT specialists for the testing phase.
 - Related TiSSTAT documents available for countries.
- **Policy element:**
 - Discussing priority sectors for analysis.
 - Confirming national focal points for the policy component.
- Any Other Business (A.O.B.).
