

Side Event on Trade and Biodiversity: Trade related aspects of the goals and target system for post-2020 GBF

On the occasion on the resumed sessions of the Third meeting of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework (WG2020-3), Twenty-fourth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA 24) under the Convention on Biological Diversity in 14-29 March 2022 in Geneva, Switzerland

GENERAL INFORMATION

Title: Trade related aspects of the goals and target system for post-2020

Subject(s): Trade, sustainable use, goals and targets, indicators, Post-2020 Framework, Indicators; Economics, Trade and Incentive Measures, Business; Nagoya Protocol

Aichi Biodiversity Target(s): 1, 2, 3, 4

Description: Trade is an indispensable part of sustainable development and sustainable trade can contribute to achieving biodiversity objectives. This event will explore the potential of trade for the post-2020 global biodiversity framework, the role of voluntary sustainability standards for biodiversity conservation and sustainable use and what trade data can tell us on progress towards biodiversity-friendly trade.
