

United Nations Inter-Agency Cluster on Trade and Productive Capacity

Operations of the Cluster at the national and regional levels

Information as of July 2013

The members of the Cluster include UNCTAD, UNIDO, FAO, ITC, WTO, UNDP, UNEP, ILO, UNCITRAL, UNECA, UNECE, UNECLAC, UNESCAP, UNESCWA, and UNOPS. The Cluster is a unique UN-wide effort to coordinate the trade-related development contributions of different entities to the global agendas of Aid for Trade, the Millennium Development Goals and the upcoming Sustainable Development Goals and post-2015 development agenda. The Cluster has greatly contributed to system-wide coherence by providing coordinated technical assistance at the national and regional levels in the area of international trade and productive capacity.

This compilation refers to coordinated operations or joint programmes designed and implemented by the Cluster at the national and regional levels.
