

Side Event on Capacity Building in Science Technology and Innovation (STI) for SDGs

4 May 2021 8am-9am ET (2pm -3pm CET)

IATT WORKSTREAM IN CAPACITY BUILDING IN STI FOR SDGS

The side event aims to raise the importance of capacity building in STI policy for SDGs and present the work of UN IATT's Workstream 6 on Capacity Building in STI for SDGs, including its training activities, achievements, findings from the previous training workshops and plans. The event will also discuss new partnerships and views of development partners and government officials on their expectations and recommendations for the future STI training activities.

For registration, please visit this [link](#) (before April 30)
