Colombia expressed its intention to submit a recommendation on “Preventing Cross-Border Distribution of Known Unsafe Consumer Products” for consideration of the Eighth United Nations Conference to Review All Aspects of the Multilaterally Agreed Equitable Principles and Rules for the Control of Restrictive Business Practices. The text was transmitted to permanent missions on 6 August 2020, along with an introductory note by the UNCTAD secretariat. It has been revised following further consultations.

This recommendation arises from the consensus generated in the Working Group on Consumer Product Safety mandated by the Intergovernmental Group of Experts on Consumer Protection Law and Policy¹ and reflected in the [report](#) of the Ad Hoc Expert Meeting on Consumer Protection and Product Safety of 24 June 2020.

This session will allow member States to consult on the content of the “Consultations on the Recommendation on Preventing Cross-Border Distribution of Known Unsafe Consumer Products” and its eventual adoption by the Conference.
