

MEASURING AND IMPLEMENTING TRADE FACILITATION

UNCTAD EMPOWERMENT PROGRAMME FOR NATIONAL TRADE FACILITATION COMMITTEES - MODULE 2

27 February - 2 March 2017 Kefi, Nigeria

OBJECTIVES

- Increase Nigeria NTFC members' understanding of specific trade facilitation measures;
- Improve Nigeria NTFC members' project management skills such as building an effective action plan as well as evaluation and monitoring mechanisms;
- Increase Nigeria NTFC members' understanding of trade facilitation benefits and global supply chain management.

TARGET AUDIENCE

More than 40 Nigerian stakeholders, both from public and private sectors, participated at workshop.

WORTH MENTIONING

Two additional workshops will take place in Nigeria in the framework of the Empowerment Programme for NTFCs in 2017.

FURTHER INFO

This was the second event in Nigeria of the UNCTAD Empowerment Programme for National Trade Facilitation Committees organized within the framework of the "Transparent Trade Procedures in the region of the Economic Community of West African" project funded by the German Federal Ministry for Economic Cooperation and Development (BMZ), represented by Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ).

MAIN OUTCOMES

- Equipped participants with the capacity to use readily available Trade Facilitation indicators and data in assessing the level of competitiveness of Nigeria;
- Acquired knowledge on monitoring and evaluation approaches; and
- Launched the communication and collaboration process among members of the NTFC.
