

INTERNATIONAL TRADE FACILITATION RECOMMENDATIONS & STANDARDS

22-24 March 2017, Monrovia - Liberia

UNCTAD EMPOWERMENT PROGRAMME FOR NATIONAL TRADE FACILITATION COMMITTEES - MODULE 1

OBJECTIVES

- Learning key international trade facilitation standards and recommendations such as UN/CEFACT recommendations, Revised Kyoto Convention, WCO Guidelines for NTFCs
- The WTO Trade Facilitation Agreement: ratification, notification and categorisation processes

FURTHER INFO

This module of UNCTAD Empowerment Programme was financed by UK Customs and organised in the context of HMRC-UNCTAD-WCO Capacity Building Program.

This is part of a long term support to Liberia Trade Facilitation Committee. Participants went through Module 1, which is the third module out of six to be delivered in 2016-2017

TARGET AUDIENCE

- 47 participants (10 women) representing different agencies (including several members of the private sector).

WORTH MENTIONING

The event was reported in national media:

<http://bit.ly/2oMV5UJ>

MAIN OUTCOMES

Before going over selected number of WTO TFA measures, a detailed elaboration was made on the way WTO TFA was structured and an emphasis was made on categorization and notification opportunities for Liberia as a Least Developed Country as stipulated under the S&D treatment of TFA
