# ECA: Role and objective

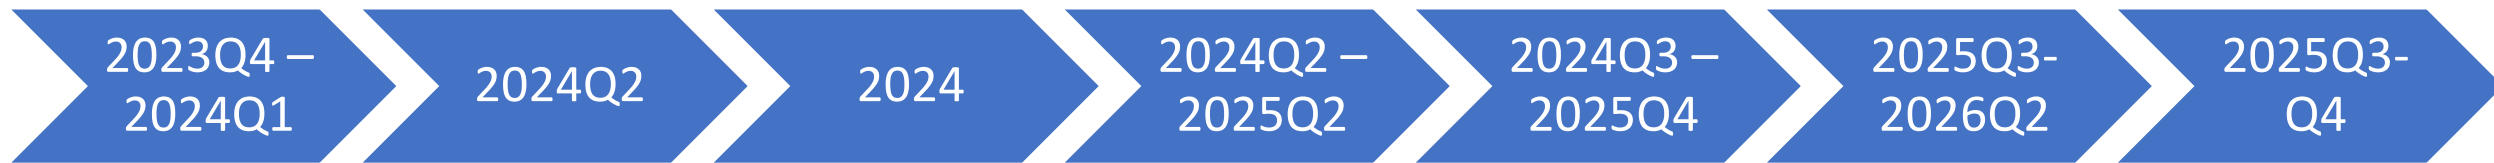

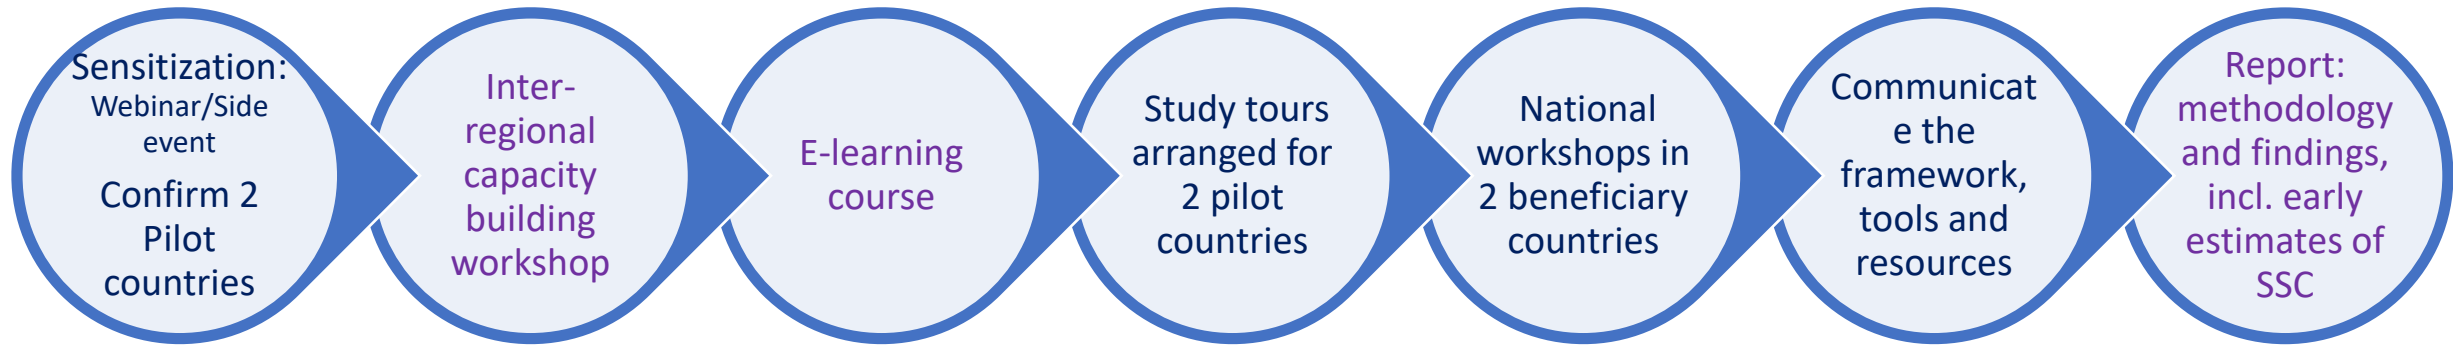

- **African center for Statistics:**

Improve the production, dissemination and use of quality data and statistics in Africa to support evidence-based policymaking, planning, implementation, monitoring and reporting under the 2030 Agenda for Sustainable Development and Agenda 2063 *The Africa We want*

Implement the SSC measurement project (Framework) in Africa, in pace with the global process led by UNCTAD:

- Strengthen the capacity of 2 countries in Africa to measure and report the contribution of South - South Cooperation to progress in the 2030 Agenda and towards more inclusive and sustainable economic growth
