Malaysian Technical Cooperation Programme (MTCP)

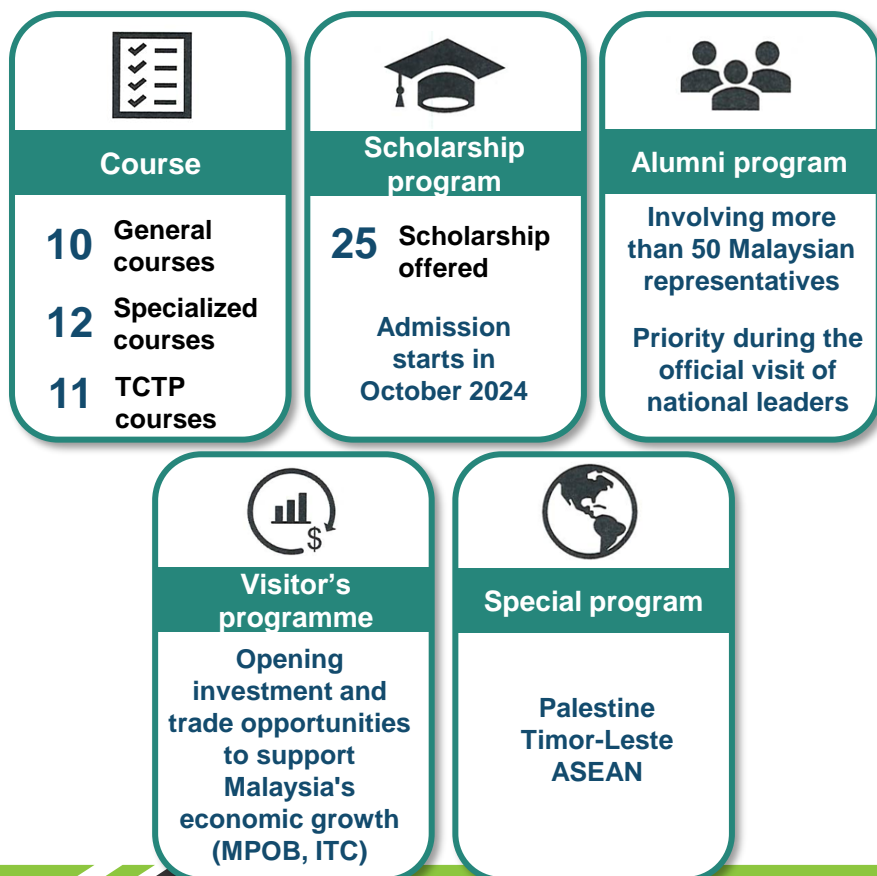

INTRODUCTION

The **Malaysian Technical Cooperation Program (MTCP)** was established in 1980 as Malaysia's contribution to the South-South Cooperation initiative. It is conducted through the sharing of Malaysia's development experiences and expertise with other developing countries.

Challenges and Strategies

Challenges in developing SDG indicators ...

Administrative Data

80% of admin data from various agencies/ ministries.

Format data/unstructured data is challenging and takes time to process

Inconsistent of time series data

Indicators Development

Metadata is not clearly defined

SDG Literacy

Awareness of the importance of the SDGs statistics

Identify and Quantify Specific Programmes

Identifying and Quantifying specific program for the purpose of financing and funding to international organisation

Strategies to overcome the challenges...

- Data quality**
- Continues meeting/ discussion/ briefing/ seminar
 - Discuss the SDG metadata and harmonise data from agencies and ministries
 - Partnership with international agency for some indicator development
- Awareness**
- Promote the concept and importance of SDGs to agencies and communities
 - Localizing SDG

Opportunities and Way Forward

Malaysia's Global Development Role...

STRENGTHENING FOREIGN DEVELOPMENT ASSISTANCE

COORDINATION:

- Explore options to strengthen Malaysia's Technical Cooperation Programme (MTCP) to better align with global development priorities.
- Foster greater coordination among various stakeholders involved in Malaysia's foreign development assistance to maximize impact and efficiency.

HOLISTIC STAKEHOLDER ENGAGEMENT FOR ENHANCED

COLLABORATION:

- Given the challenges posed by the pandemic, MIDA will leverage virtual platforms to continue engaging with South-South countries under MTCP through TCTP.
- Tailor programmes under MTCP and TCTP to address specific needs and priorities of OIC countries and African nations, focusing on enhancing investment and trade opportunities.

STRENGTHENING COLLABORATION WITH INTERNATIONAL PARTNERS:

- Deepen collaboration with key international development partners such as the Japan International Cooperation Agency (JICA), the Islamic Development Bank (IsDB), the Colombo Plan, and the German International Cooperation Agency (GiZ).

Opportunities for a Whole-of-Nation Approach to SDGs Implementation

- 1 Guiding Implementation with the Conceptual Framework Manual and SDG Roadmap
- 2 Localising SDGs via Multi-Stakeholder Group
- 3 Enhancing CSOs Participation through Policy Support
- 4 Regular Monitoring and Data Collection

"Gemilang"

Di arus zaman berubah
moden dan penuh rintangan
tetap melangkah dan berevolusi
dan menuju matlamat jaya

Seiring dan seirama
bersama tekad di hati
misi dan visi berinovasi
Gah di mata dunia

VIDEO "GEMILANG"

<https://bit.ly/DOSMGemilang>

Chorus

Gemilang, perangkaan jitu
data terpelihara
pelbagai anugerah
membuktikan kita juga berdaya
Gemilang, harumkan negara
di antarabangsa
berpadu tenaga, berganding bahu
dan kejayaan di rasa

Langkah strategi di yakini
kejayaan di kecap
sejarah yang terukir
menjadi inspirasi

THANK YOU
