Papers to research on this topic

Good Practices and Building Blocks for Successful Committees

- High level political support for NTFC with clear committee structure
- Participation & Representation by officials
- Private Sector Participation
- Clear communication
- Clear goals and priorities
- Capacity building & training programmes
- Performance measurement and monitoring

COLLABORATION & COOPERATION

ASK FOR HELP, DON'T STRUGGLE ALONE

Capacity gaps are dealt with by partners

DON'T GET DE MOTIVATED IF NTFC'S HAVING A BAD YEAR

Accessibility hinged on having a champion

launched 2021

REFORM TRACKER

A management & monitoring tool

- Control at your fingertips
- Adaptable planner - to generate reform clusters and PETA control
- Track indicators progress
- Identify patterns and trends effectively
- Enhancing NTFC's communication
- Monthly Newsletter
- Encourages to Engage with stakeholders

To learn more there's an event in November about it

YOUR VOICE & VOTE ARE IMPORTANT

- private sector participation
 - gender perspective & women's leadership
- Necessary to the NTFC's

Use of digital tools to monitor Trade Facilitation reforms enhances:

- coordination
- transparency & communication
- awareness & accountability
- foster implementation of WTP TFA commitments

WORK WITH PASSION AND COMMITMENT

Following Up on Responsibilities boosts efficiency

NO ONE IS PERFECT

- learn from others
- then move forward

BELIEVE IN YOUR CAPACITY TO CHANGE THE WAY FORWARD

WORLD BANK GROUP

- 1 PRIVATE SECTOR IMPORTANCE
- 2 REGIONAL INITIATIVES WE SUPPORT
- 3 EXAMPLES PRACTICAL WORK

- 1 Private sector
- Forefront of trade
- can provide practical solutions (since in the loop, before problems arise)

Development & Implementation of 2 regional TF Strategies CARICOM Region Pacific Islands took 3 years to launch

Implement TF reforms from regional approach

Collabs, coordination, transparency, predictability, access to information, digitization, automation facilitating benefits, advance ruling, risk management

Est NTFC working group

Fiji - removed borders causing inefficiency and high costs

An initiative was developed to help understanding

Egypt

- T.F strategy Goals
- Risk management
- Time release studies
- Communicate success
- Reform tracker

CHALLENGES INVOLVING PRIVATE SECTOR

COORDINATION NOT INVOLVED EARLY ENOUGH
LACK OF CLEAR COMMUNICATION

DIVERSIFIED VOICES NEEDED

INCLUSION: GENDER & YOUTH
extra effort placed

Pacific etc
Women lead firms in T.F Challenges
Not many represented in NTFC's
Not aware of simplified procedures

BUILDING TRUST WITH PRIVATE SECTOR TAKES YEARS

Make some reforms happen, bringing some success

Data sharing is a sensitive topic
