### Consensus building

- Draft resolution on consumer product safety
- Model Law for the implementation of the recommendation on preventing the cross -border distribution of known unsafe consumer products

- Unsafe products pose health, environmental and economic risks
- E-commerce has transformed global trade - and also allowed unsafe products to bypass regulations, creating risks for online shoppers worldwide
- Case studies from Argentina, France, Lithuania, Peru, South Africa, Thailand, Viet Nam, COMESA, and OAS offer valuable lessons in regulatory best practices and emerging threats
