PAR ATKLĀTU BALSOJUMU VALSTS PREZIDENTA VĒLĒŠANĀS

Patlaban Satversmes 36.pants nosaka, ka Valsts Prezidentu ievēl aizklātā balsojumā. Ierosinām izteikt Satversmes 36.pantu šādā redakcijā: "Valsts Prezidentu ievēlē atklāti balsojot ar ne mazāk kā 51 Saeimas locekļu balsu vairākumu".

LIKVIDĒSIM IESPĒJU SAEIMAS DEPUTĀTIEM BALSOJUMOS ATTURĒTIES

Saeimas balsojumos visi "atturas" faktiski ir balsojumi "pret". Deputāti to izmanto, lai maldinātu vēlētājus ar šķietamu neitralitāti. Likvidēsim šādu iespēju! Deputātiem jālemj, nevis jāatturas!

19 Law amendments have been accepted by government (50% success rate)

Direct democracy

For several years, the State Chancery initiative “Reduce the burden together!” has been working successfully. We have received a lot of valuable citizens' proposals to reduce the burden. Part has already been implemented;

In order to further improve the quality of the services provided by the State, important public involvement – information on the authorities requiring improvements;

The proposals submitted to the home page of www.mazaksslogs.gov.lv evaluate and analyse by the officials of the State Chancery. If the proposal is justified, the State Chancery shall invite the responsible authorities to address it.
