- 5,000+ participants registered online
- High-level multistakeholder participation
- 200+ sessions focused on: *(1) Data Governance; (2) Digital Inclusion; and (3) Security, Safety, Stability & Resilience.*

One World. One Net. One Vision.

- 14th IGF process focused on advancing the IGF through responding to its mandated objectives; CSTD WG on IGF Improvements; IGF Retreat and the Call for Action of the UN Secretary-General from 13th IGF in Paris

IGF 2019 Process Objective

We must be more than multistakeholder. We must also be multidisciplinary.

We need to create shared language and references.

We need a dedicated effort to include and amplify the weak and the missing voices.

Technology should empower, not overpower us!

*Mr. António Guterres
United Nations Secretary-General
IGF 2018, Paris*
