

Towards gender-responsiveness African economies: What role can AfCFTA play in this regard?

by Dr. Mustafa Sakr
August 2021

UNCTAD organized an Essay Competition on Trade and Gender Linkages among the alumni of its online courses on trade and gender. The finalists and the winner of the competition were announced during the High-Level panel: Shaping gender-responsive economies and societies: What role for trade?, hosted within the Gender and Development Forum, held from 26 to 28 September 2021, in the context of UNCTAD's fifteenth quadrennial ministerial conference, UNCTAD15.

The present essay figures among the four finalists of UNCTAD's Essay Competition on Trade and Gender Linkages.
