UKaid- WTO Trade Facilitation Agreement

(Data obtained from DfID tracker)

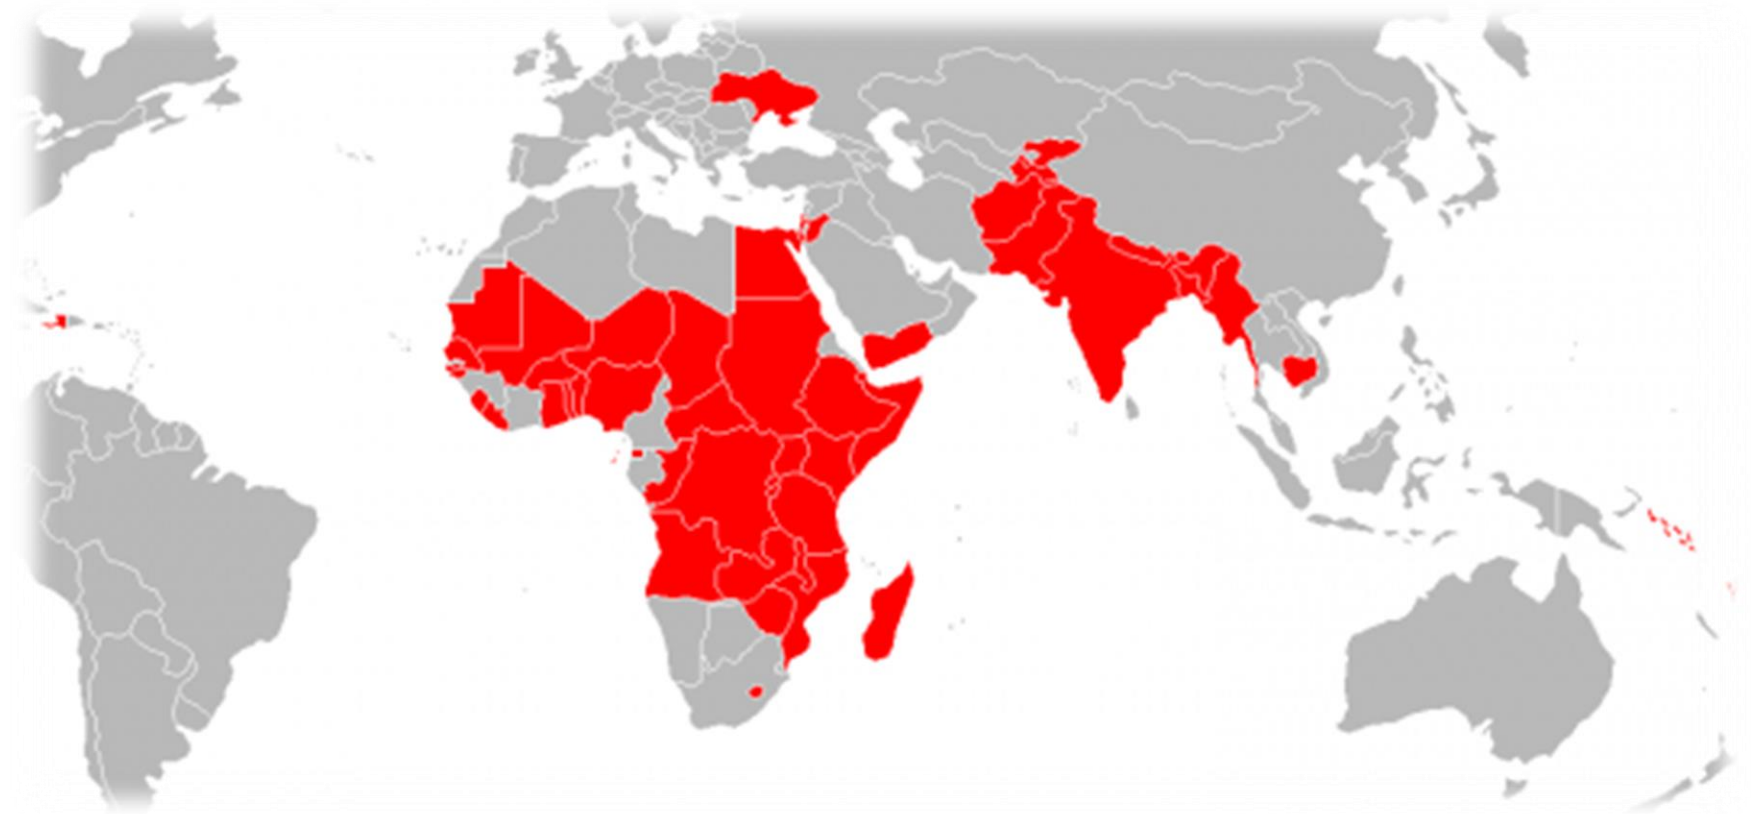

- UK Government has allocated £87.3million to develop the Trade sector
- Department for International Development (DfID) will provide up to £15million to support developing countries to implement the WTO's Trade Facilitation Agreement over a 7 year period (2015 – 2022)
- UK programmes will help identify needs at a country level and match these needs to the right global source of finance
- Provide funding to a number of global funds (WTO, World Bank and a private/public Alliance) to enable recipient countries to receive the right type of support.

(Data obtained from DfID tracker)

HMRC-WCO-UNCTAD WTO Trade Facilitation Agreement Capacity Building Programme

- £3 million made available over 3 years
- Partnership between HMRC, the World Customs Organization (WCO) and the United Nations Conference for Trade and Development (UNCTAD)
- WCO - preferred partner for customs-related TFA capacity building
- Delivery through the WCO's Mercator Programme
- Parallel focus on increasing the pool of WCO Accredited Experts to support and deliver Programme-related capacity building
- UNCTAD - contributions to needs analyses and establishing/supporting National Committees for Trade Facilitation (NCTF)

Principles

TFA-related

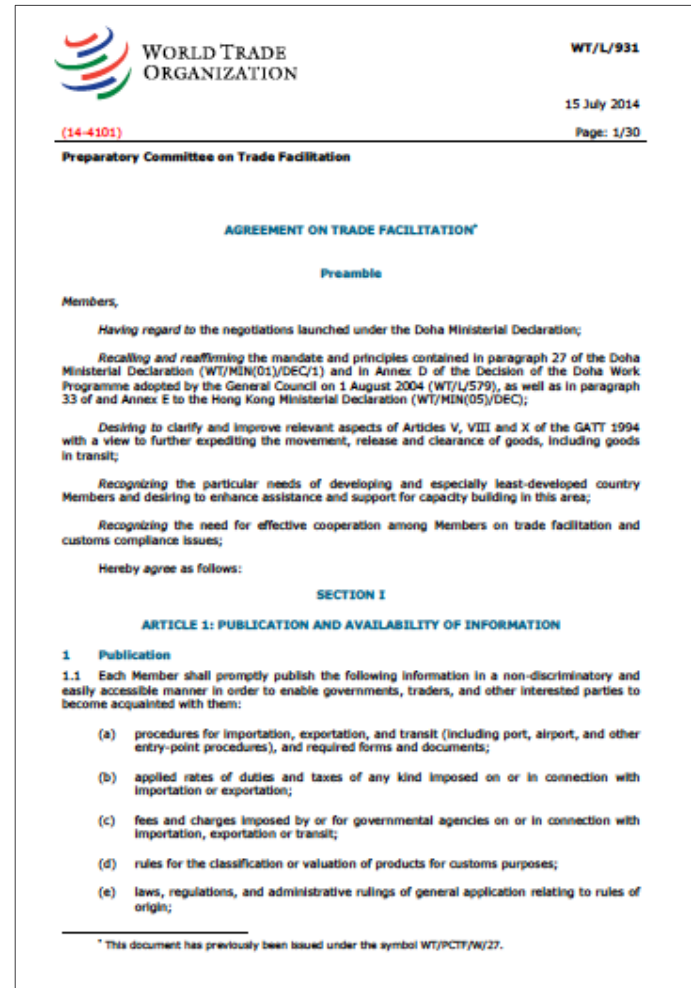

- Capacity building directly related to TFA implementation
- Encourage TFA implementation and notifications through NCTFs

Sustainability

- Multi-year programmes of activity
- Clear objectives and outcomes
- Measurable impact

Delivery

- In-country capacity building
- Delivered by UK MPA & WCO accredited and UNCTAD experts
