# Cross-border Paperless Trade Database

- CBPT DB - Cross-Border Exchange of Information
- Any type of data exchanged impacting positively cross-border trade facilitation
- G2G-B2G-B2B

The screenshot shows the website interface for the Cross-Border Paperless Trade Database. At the top, there is a navigation bar with the following menu items: Home, Legal Instrument, Implementation Instrument, Projects & Services, Submit a Project, and References. Below the navigation bar is a large map of the world with numerous blue lines connecting various countries, representing trade digitalization projects. A central text box on the map reads "CROSS-BORDER PAPERLESS TRADE DATABASE" and "Accelerating progress towards trade digitalization through knowledge sharing". A blue "More" button is visible on the map. Below the map, there is a "Latest Projects" section with three project cards:

Project Title	Status
Cross Border CO Exchange between Singapore and Belgium	Pilot
Singapore's Electronic Origin Data Exchange System (EODES) with China	Operating
Customs information exchange via ASEAN single window	Operating
