Good Practices during crisis

CHALLENGE:

Long-term preparedness for future crises

SUPPORT

24/7

Expedited clearance for essentials

GREEN LANES

Turn to digital documents + develop technique for validating e-cert

Coordination and joint clearance between border agencies

issue guidance on Customs issues related to the COVID-19 emergency in order to provide solid and practical solutions for all stakeholders

Conclusion and Way forward

01

**Accelerate implementation
of digital trade facilitation
measures**

02

**Design trade facilitation
strategies that are inclusive
and supportive of the SDGs**

03

**Strengthen long-term
capacity to keep trade
going during future crises**

Conclusion and Way forward

Crisis Category will remain in UNTF Survey

Reviewing the long-term preparedness for future pandemic

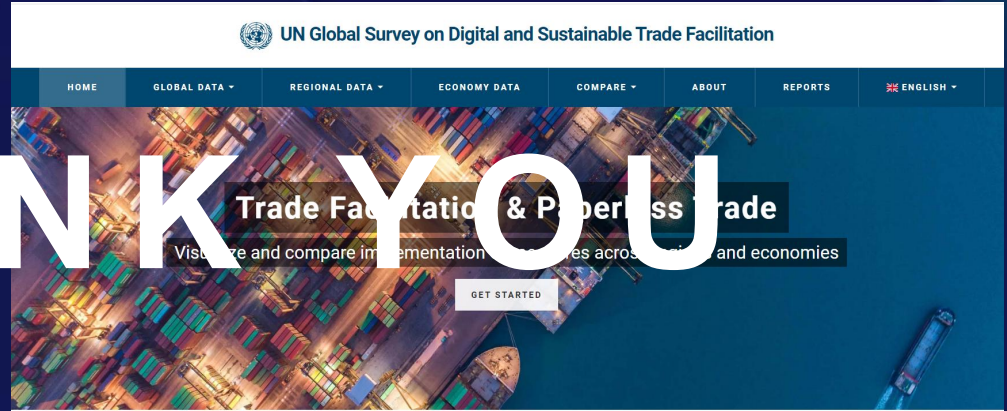

Review Meeting

Consultation meeting for the preparation of 2023 UNTF Survey

Digital and Sustainable Trade Facilitation: Global Report 2021

Based on the United Nations Global Survey
on Digital and Sustainable Trade Facilitation
