Aiming For A “Weather proof” Environment For Purposeful Development

Olutunmbi Idowu
Geneva , July 19 2017

The Challenge

Multiple initiatives introduced into environments devoid of fit for purpose regulatory framework.

Domestic definitions are at variance to International vision

Sector providers ask to support vague and fragmented policy goals with relevant regulations.

The solution

❖ Interoperability, Interoperability, Interoperability

- International and Domestic
- Regulatory
- Sector
- Solutions

❖ Stakeholder agreement on definition and purpose

- Identify and meet real needs
- Agree vision
- Define aims

❖ Enabling Regulatory Environment that promotes

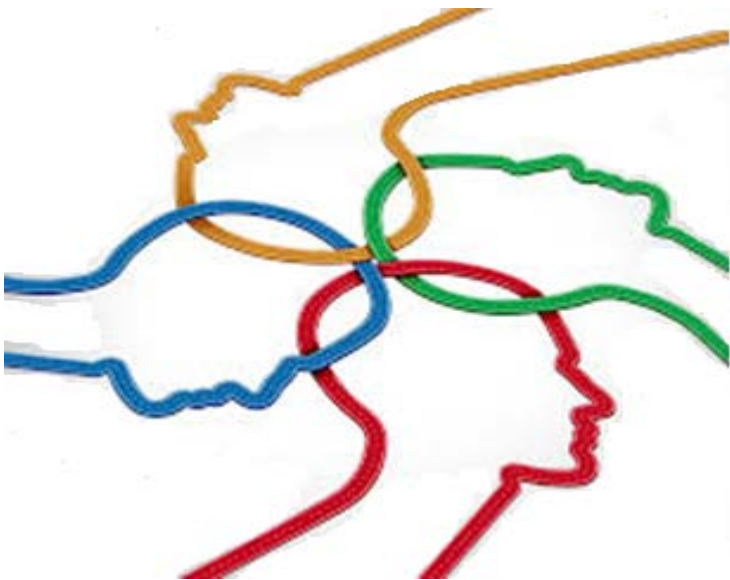

- Stability
- Profitability
- Sustainability

❖ National Government's Participation

- Ownership
- Leadership
- Responsibility

The Goal

❖ Sustainability = Profitability

- Solutions
- Projects
- Investment

❖ Value Add

- Wealth
- Empowerment
- Society
- Infrastructure

❖ Human Assets within domestic economies

- Engage
- Empower
- Ensure

Development WITHIN A CONDUCTIVE ENVIRONMENT

National, Personal
Development

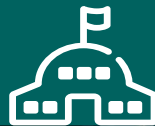

Sustainability

Inclusion, Empowerment and Services

Investment, Infrastructure and Processes

Fit-For-Purpose Policy and Regulatory
Framework and Government Engagement

An aerial night view of Istanbul, Turkey, featuring the Bosphorus Bridge and a large, stylized, 3D 'S' logo in the center. The city lights and the bridge's lights are visible against the dark sky.

THANK YOU VERY MUCH
