

# **Competition advocacy during and in the aftermath of the Covid-19 crisis**

9 July 2021

# Recovery of the post-Covid 19 European Union

---

- **Next Generation Plan:** 70.000 million euro in Spain in transference.
- Limited mandate on state aid.

# Advocacy perspective

---

Three **fundamental** lines of principles of the Authority:

- **State aid:** non-discriminatory, objective, detailed, transparent and proportionate + zombies.
- **Public procurement.**
- Protection of an **efficient regulation:** barriers to entry and expansion.

# Thank you for your attention
