

# SOLVING PRESSING CHALLENGES USING TECHNOLOGY

Incubator and Accelerator initiatives in  
refugee settlements

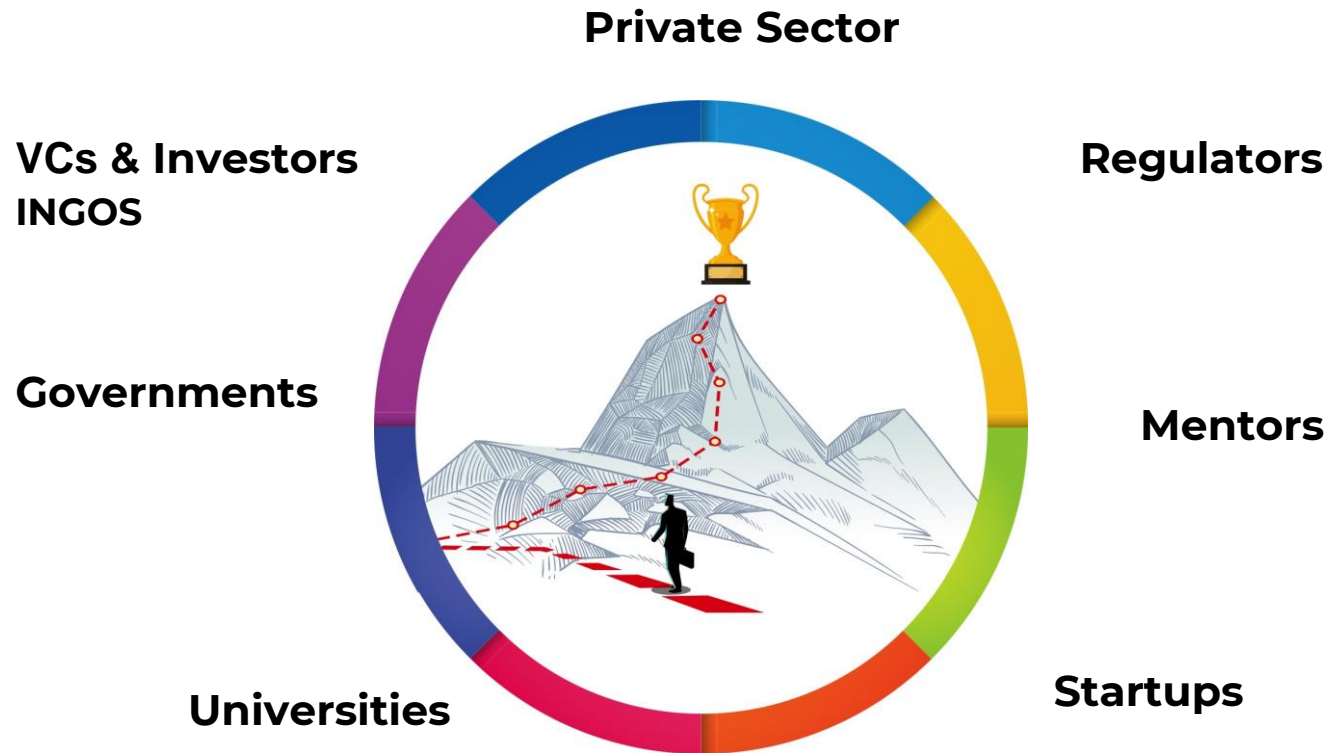

# Entrepreneurship needs an ecosystem..

That the current entrepreneurship landscape is disintegrated, isolated and difficult to navigate for an entrepreneur.

# Who convenes and catalyze the ecosystem..

The Innovation Village brings the ecosystem together to be a catalyst for job creation throughout Africa by breaking down the barriers and creating a path for entrepreneurs to grow their business.

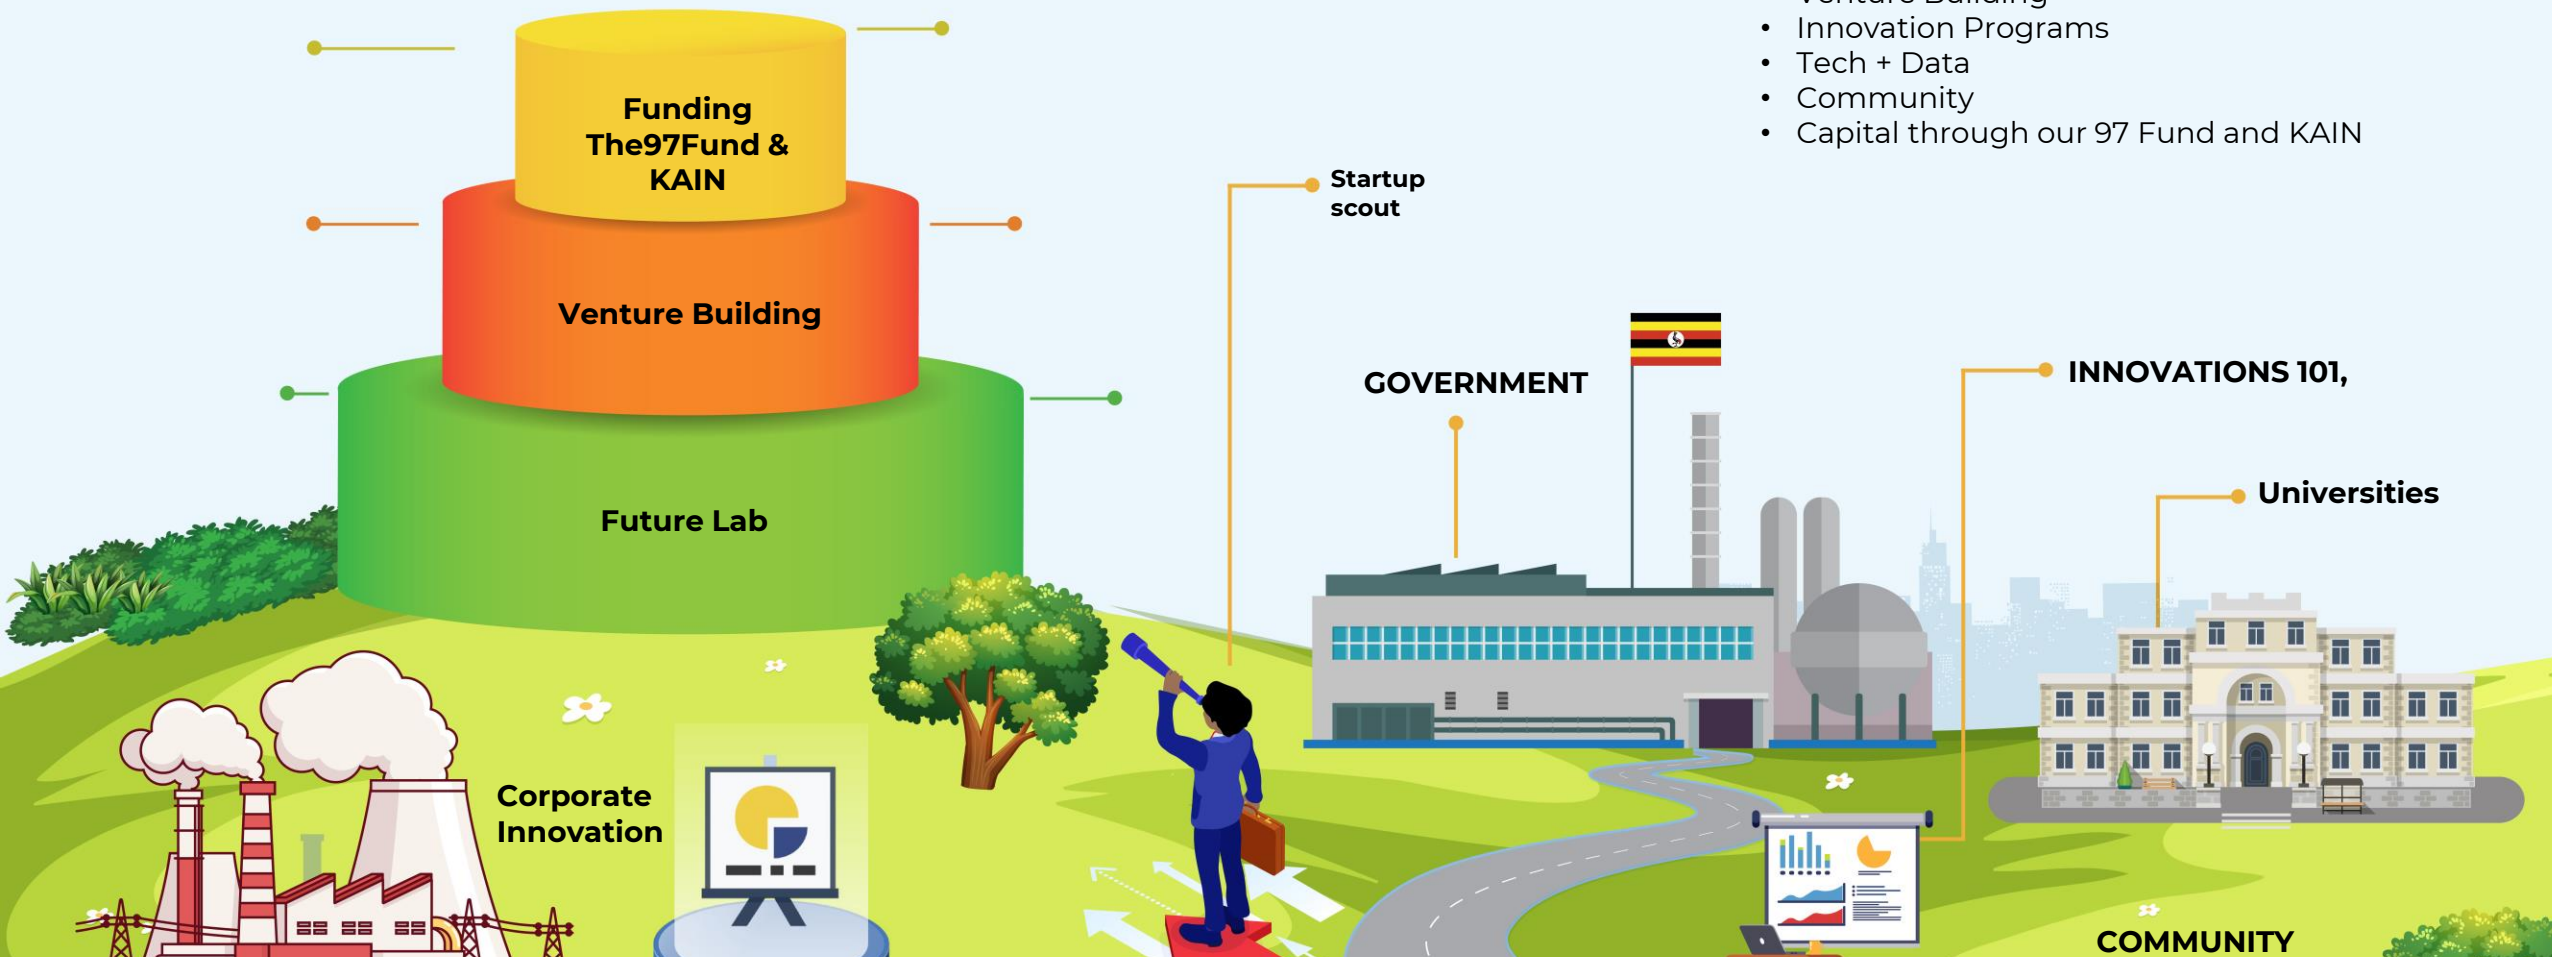

# THE INNOVATION VILLAGE

A launchpad for leading entrepreneurs and innovators working to solve our most pressing challenges using technology.

**MAKING INNOVATION A PREDICTABLE DRIVER OF GROWTH.**

We cultivate innovators and entrepreneurs, startups, and enterprises focused on social economic transformation.
