DAY 3

**THIS PACKAGING DISAPPEARS
ALMOST AS FAST AS YOUR MEAL**

Use a recycled coating instead of plastic,
making me as biodegradable as your lunchtime apple.

A close-up photograph of a pile of dark, dried seaweed resting on a light-colored wooden surface. The seaweed is dark brown to black with some greenish-yellow highlights. In the background, a blue notebook is open, and a blue bowl with a white cloth inside is visible. The scene is brightly lit, suggesting an outdoor or well-lit indoor setting.
