What is it?

The Republic of Estonia is the first country to offer e-Residency –
a secure digital identity for everybody in the world interested in **running a location-independent business online.**

e-Residents receive a smart ID card for:

Government backed digital identification
access to Estonian e-Services
digital signing of documents

e-Residency does not confer citizenship, physical, or tax residency.

It does not provide any rights of travel and entry to Estonia or the EU.

e-Residency

e-Residency offers to every world citizen a government-issued digital identity and the opportunity to open and run a trusted company online, unleashing the world's entrepreneurial potential
