

# **OCEANS FORUM ON TRADE – RELATED ASPECT OF SDG 14**

**Advancing SDG 14.6**

# Outline

- Fish an Extractive Resource-Fish Trade is a highly traded commodity
- SDG 14.6 and WTO mandate
- Fisheries Proposals under Negotiations-Scope
- Special and Differential Treatment

# Key Messages

- SDG 14.6 is not the panacea to SDG 14 but an important commensurate to the overall achievement of SDG 14 goal.
- To achieve outcomes, focus should be on Mandate, prohibit subsidies with SDT for developing and LDCs
- Developed countries must expedite technical and financial assistance to assist developing countries including for LDCs in relation to implementation for SDG 14.6 by 2020 as well.
