• Agenda Item 2. Adoption of agenda and organization of work

10:30-11:00 Keynote speaker

Julie A. Erhardt, US Securities and Exchange Commission

11:00 -13:00 Agenda Item 3. Review of practical implementation issues of IFRS

The panel will discuss recent developments in the area of the IFRS practical implementation in the aftermath of the financial crisis. In particular it will debate major institutional and technical challenges that evolved during the financial crisis and that need to be addressed to strengthen governance and efficiency of the international standard-setting process and quality of financial reporting. It will also discuss ways of improving coordination between regulators and standard-setters, as well as between other participants of the reporting chain, including audit aspects.

Speakers: John Hegarty, World Bank

Remo Croci, European Commission

Michael Stewart, IASB Nicolas Véron, Bruegel Paul Thompson, IFAC

13:00-14:30 Lunch Break

14:30-15:00 Networking Coffee

15:00-18:00 Agenda Item 3. Review of practical implementation issues of IFRS (continued)

The panel will address fair value measurement as one of most challenging matters in the area of IFRS practical implementation. In particular, it will review current requirements of IFRS regarding fair value measurement and debate some of most significant challenges in fair value application that have risen during the financial crisis.

Speakers: Veronica Poole, Deloitte, United Kingdom

Michael Stewart, IASB

Thursday 8 October 2009

9:30 to 10:00 Welcome Coffee

10:00-13:00 Agenda Item 4 (a) Accounting and financial reporting needs of SMEs

The panel will review recent developments in the area of SMEs accounting and reporting. In particular, it will discuss new IFRS for SMEs and main challenges of its implementation. It will also discuss other developments on accounting for SMEs with a view to share best practices on improving quality and reducing costs of SMEs accounting and reporting.

Speakers:

TBD
Richard Martin, ACCA
Saskia Slomp, FEE
Paul Thompson, IFAC
Vickson Ncube, ECSAFA

13:00-14:30 Lunch Break

14:30-15:00 Networking Coffee

15:00-18:00 Agenda Item 4 (b) Capacity building in accounting and reporting

One of main pillars of UNCTAD activities is the area of technical assistance. In the past UNCTAD carried out a number of technical assistance projects on building capacity in accounting and reporting in a number of countries. This panel will discuss main challenges that countries currently face in this area and what kind of assistance they may need to address these challenges to facilitate their compliance with the international requirements in reporting. It will aim to identify priority areas where UNCTAD/ISAR can assist member states in building technical and institutional capacity jointly with relevant donor agencies.

Speakers:

UNCTAD secretariat
Bill Phelps, CARANA Corporation
Gregory Elders, Global Reporting Initiative, The Netherlands
Ashraf Gamal El-Din, Institute of Directors, Egypt
Elizabeth Adegite, Accountancy Bodies in West Africa
