### Item 3: Consideration of issues related to the mobilization of the private sector for the promotion of foreign investment flows towards the least developed countries (LDCs)

3. Pursuant to paragraph 89(g) of “A Partnership for Growth and Development”, UNCTAD and UNIDO are co-sponsoring the organization of the Pilot Seminar on the Mobilization of the Private Sector in order to Encourage Foreign Investment Flows towards the Least Developed Countries.

4. For the consideration of this item, the Seminar will have before it a report prepared by the UNCTAD secretariat. The report draws on two background staff papers: “Experiences on country funds and venture capital funds in developing countries” (UNCTAD/GDS/GFSB/1) and “Prospects for and constraints on foreign investment in LDCs” (UNCTAD/GDS/GFSB/2), which include replies to questionnaires sent to LDCs and investment fund managers.

5. The issues to be considered will include: (a) prospects for, and constraints on, foreign investment flows to LDCs, through investment funds such as country funds and venture capital

funds; (b) investment opportunities in LDCs by country and by sector; (c) conditions for the creation of investment funds for LDCs.

6. Studies will be made available to participants on investment opportunities in LDCs in the three sectors: infrastructure, agro-industries and tourism. These studies are being prepared by UNCTAD/UNIDO, under Technical assistance project INT/97/A12, financed by the Government of Norway.

7. UNIDO has also prepared information on investment opportunities in seven LDCs (Bangladesh, Burkina Faso, Madagascar, Togo, Uganda, United Republic of Tanzania and Zambia), as well as on opportunities offered by privatization schemes in Africa.
