

## Grenada

### Basic statistics

|  |       |  |    |
|--|-------|--|----|
| Current diversification (number of products)                   | 629   | Potential new products more complex (percentage)                     | 66 |
| Potential new products   | 2,960 | Export opportunity in more complex products (percentage)             | 30 |
| Potential new products more complex than the country's average | 1,956 | Import replacement opportunity in more complex products (percentage) | 19 |

### Potential new sectors for diversification (All products)

#### Sectors with higher export opportunities (percentage of export opportunities)

| Product   | Percent |
|---|---------|
| Plastics and articles thereof                         | 10      |
| Electrical, electronic equipment                      | 10      |
| Machinery & mech appliance etc                        | 9       |
| Pharmaceutical products                               | 8       |
| Optical, photo, technical, medical, etc apparatus     | 6       |
| Organic chemicals                                     | 4       |
| Articles of iron or steel                             | 4       |
| Miscellaneous chemical products                       | 3       |
| Paper & paperboard, articles of pulp, paper and board | 3       |
| Iron and steel  | 3       |
| Sum of others with smaller share                      | 41      |

Top markets for potential new products (percentage of export opportunities)

By countries

| Country            | Percent |
|--------------------|---------|
| USA                | 15      |
| Germany            | 7       |
| France             | 7       |
| China              | 5       |
| Netherlands        | 4       |
| Thailand           | 4       |
| United Kingdom     | 4       |
| Japan              | 3       |
| Italy              | 3       |
| Russian Federation | 3       |
| Others             | 28      |

By regions

| Region           | Percent |
|------------------|---------|
| Asia             | 32      |
| Western Europe   | 22      |
| Northern America | 16      |
| Eastern Europe   | 8       |
| Northern Europe  | 8       |
| Southern Europe  | 7       |
| South America    | 3       |

Potential new sectors for diversification (Agri-business products)

Sectors with higher export opportunities (percentage of export opportunities in agri-business)

| Product   | Percent |
|---|---------|
| Dairy products, eggs, honey, edible animal products   | 24      |
| Cereal, flour, starch, milk preparations and products | 11      |
| Cocoa and cocoa preparations                          | 11      |

## Catalogue of Diversification Opportunities 2022

|  |    |
|--|----|
| Edible fruit, nuts, peel of citrus fruit, melons       | 11 |
| Animal,vegetable fats and oils, cleavage products, etc | 9  |
| Beverages, spirits and vinegar                         | 8  |
| Vegetable, fruit, nut, etc food preparations           | 7  |
| Miscellaneous edible preparations                      | 6  |
| Edible vegetables and certain roots and tubers         | 2  |
| Meat, fish and seafood food preparations nes           | 2  |
| Lac, gums, resins, vegetable saps and extracts nes     | 2  |
| Milling products, malt, starches, inulin, wheat gluten | 2  |
| Live trees, plants, bulbs, roots, cut flowers etc      | 2  |
| Sugars and sugar confectionery                         | 1  |
| Sum of others with smaller share                       | 2  |

### Top markets for potential new agri-business products (percentage of export opportunities)

#### By countries

| Country            | Percent |
