<sup>a</sup> The number of BITs and "other IIAs" in this table does not add up to the total number of BITs and "other IIAs" as stated in the text, because some economies/territories have concluded agreements with entities that are not listed in this table. Because of ongoing reporting by member States and the resulting retroactive adjustments to the UNCTAD database, the data differ from those reported in WIR14.

<sup>b</sup> These numbers include agreements concluded by economies as members of a regional integration organization.

<sup>c</sup> BITs concluded by the Belgo-Luxembourg Economic Union.
